

Final county OK expected on police contract

By HENRY CANTIN

A law enforcement contract providing 24 hour police protection and service to the City of Romulus by the Road Patrol Division of the Wayne County Sheriff's Department has been approved by the Romulus City Council.

The council unanimously approved the contract at an executive session held after the June 22 regular council meeting. Council member Ellis T. Pennington was absent and on a vacation.

The contract, to cost the City of Romulus \$378,000 annually, has also been approved by the Ways and Means Committee of the Wayne County Board of Commissioners.

The full board is to consider the sheriff-city law enforcement pact (Thursday). Approval is expected.

Under the contract, the sheriff's department will provide 16 officers to patrol Romulus at all times.

Romulus, with 36 square miles, 23,000 persons and the Detroit Metropolitan Airport, was incorporated as a city in May, 1970.

The present 10-man Romulus Police Department is to be disbanded under terms of the contract. Present police personnel is to be absorbed by the sheriff's office with all rights and seniority retained.

Romulus Police Chief Jacob J. Koch, 25-year veteran of the Detroit Police Department and head of the Romulus police force the last six years, is not included in the merger of the departments.

It was reported Monday that in some areas of the city, objections have been made to the council's action in approving the contract in executive session.

Mayor Hyle J. Carmichael reported that the session was

not opened to the public because members of the council wanted to discuss the contract in private. Approval of the contract followed councilmen's discussions.

Under the contract, the city will also have available the complete services of the road patrol including detectives, narcotics and crime lab specialists.

The contract approved by the city council was revised over the original proposal that had an initial year's cost set at \$348,000 and a 24-hour police unit at \$175,000 per year.

The Wayne County Board of Commissioners referred this contract to its Law Enforcement and Public Safety Committee for study and recommendation. The committee made several changes.

The original contract allowed each party to give only six months notice of cancellations. The revised contract has a minimum three year contract: two years of service and then one year notice before cancellation.

In addition, due to "rising costs," the initial first's year cost was up to \$378,000 from \$348,000. The cost covers two police units for the city.

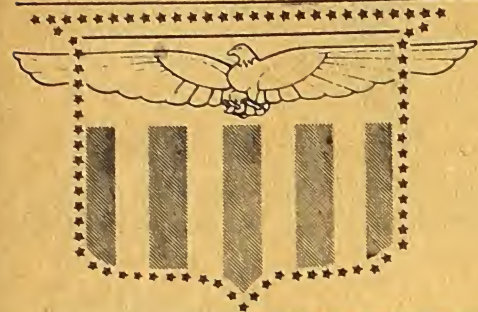

The cost of the contract will be negotiable each year. It has a clause that the amount be increased to not more than 25 percent over the three year period.

In 1968 the voters of Romulus approved a 1.5 mills for the operation of the police department. It was a five year millage levy.

The fund has been set aside this year pending the final decision on the proposed contract.

The Romulus Police Officers Association has initiated a suit in Wayne County Circuit Court seeking to stop the proposed contract pending a full hearing on the association's contentions that the City Charter requires a "city police department."

The City as yet has not taken any action on the suit.

Petitions filed for referendum

By HENRY CANTIN

Petitions requesting a referendum vote on the newly adopted Zoning Ordinance and Master Plan for the City of Romulus have been filed with City Clerk Leonard J. Folmar.

The petitions filed last Friday, the deadline for requesting a referendum, contained 513 signers, (more than 400 signatures were required). A citizens group filed the petitions.

Both the Citizens Advisory Committee on Zoning and others including the Romulus Democratic Club are in support of the referendum vote, it was disclosed Monday.

The signers of the referendum petitions must now be certified by the clerk before any date for an election can be scheduled.

Spokesman for the Citizens Group initiating the campaign for the referendum is Robert Plank chairman of the Citizens Advisory Committee on Zoning. This committee was created

with the approval of Romulus City Council to assist in drafting the new zoning ordinance and master plan for the city.

The council, after many meetings and conferences with the Romulus Planning Commission and the Citizens Advisory Committee and residents as well as conducting a public hearing, approved the new master zoning ordinance in a special council session held on May 6.

The referendum supporters countered that certain changes were made by the council and done without consulting with the planning commission and the committee.

The committee, it was reported, feels that the changes were not in the best interest of the city as a whole.

The referendum vote currently requested marks the second time Romulus residents have opposed a zoning ordinance approved by the council.

A previously approved master zoning ordinance was rejected by the voters last summer. That plan provided for 540 acres of multiple zoning, which brought loud objections from some areas of the city.

The citizens group asking for the referendum vote charged that the Citizens Advisory Committee was promised that a local building code and a local subdivision control and would be adopted simultaneously with the zoning ordinance and to date they report this has not been done.

Other contentions of the group are: Multiple zonings have been granted by council in an area where the people are already upset with the over-abundance of multiples in the area.

Gas stations zonings have been granted against the wishes of the citizens, while other zonings and text changes requested by the advisory committee have been denied.

Recording irks head of Council

A request made by the council president Jimmie Raspberry that Romulus set a policy relative to the use of electronic recording devices at City Council meeting failed to get a majority vote of the council.

In making his report to council at the June 22 meeting, Raspberry reported that at the last meeting "it was very unfortunate that council saw fit not to take any action on the matter. A member of the audience was using a recording device."

PROCESSING JOB APPLICATIONS — Romulus Senior High School students have organized a city-wide job hunt for students. They have set up temporary headquarters at the high school typing out cards for job seekers (students) and making lists of local businesses to contact about possible employment.

When they established permanent headquarters they will begin to receive calls for employment. The students shown with Earl Lamb, assistant principal of the high school are busy setting up the initial phases of the "employment office."

Romulus High School students begin search for summer jobs

Romulus Senior High School has organized its students for a city-wide job hunt, Earl Lamb, assistant high school principal, announced Monday.

Determined not to become labor department statistics supporting predictions of wide-spread summer unemployment among youth, a group of students have begun to take action.

Working at temporary quarters (wherever they can

borrow a typewriter, a desk and a telephone) they are typing cards for job seekers and making lists of local businesses to contact about possible jobs.

When they have established permanent headquarters they will begin to receive calls for employment.

More than 100 ninth, tenth and eleventh grade boys and girls have made applications

for some kind of summer work. Many have Social Security numbers and have some job experience. Many more have not.

Skills among boys range from auto shop work to roofing and siding. Some would like yard work or restaurant jobs.

Girls express hopes for secretarial positions and have typing and office experience. Many girls have had baby

sitting jobs and are looking for more.

More than a few, when expressing what they would like most to do, state they would like to help others. Project sponsors hope they will have the opportunity to fulfill their wish this summer.

Anyone wanting to help out with office space for a permanent headquarters or offer employment may contact "Hire A Kid" at 941-2170 and ask for Lamb.

Investigation ordered into mobile home park

An official investigation into charges of alleged violations of Romulus building codes and Mobile Home Park code requirements against the Royal Village Trailer Park has been ordered by Romulus City Council.

The complaints against the trailer park, located on Van Born Rd., between Middlebelt and Inkster Rds. have been lodged with city officials by residents of the park and representatives of the Michigan Mobile Homes Association.

A group of the trailer park's tenants appeared before city council June 22 and demanded that action be taken against the trailer park.

The group listed 13 violations of the city's zoning ordinance in their initial blast at the park.

Among the alleged violations were open electrical connections, trailers leaning to one side, two trailers on one site, no sewer connections in some instances, trailers back to back (a violation of law) campers permitted to set up in the park bad roads and poor bottled gas storage.

In some instances trailers

are not set on cement pads. The group also voiced complaints on the collections of debris and old cars in the park.

A representative of the association termed Royal Village Trailer Park a "nuisance," and "in violation of state laws."

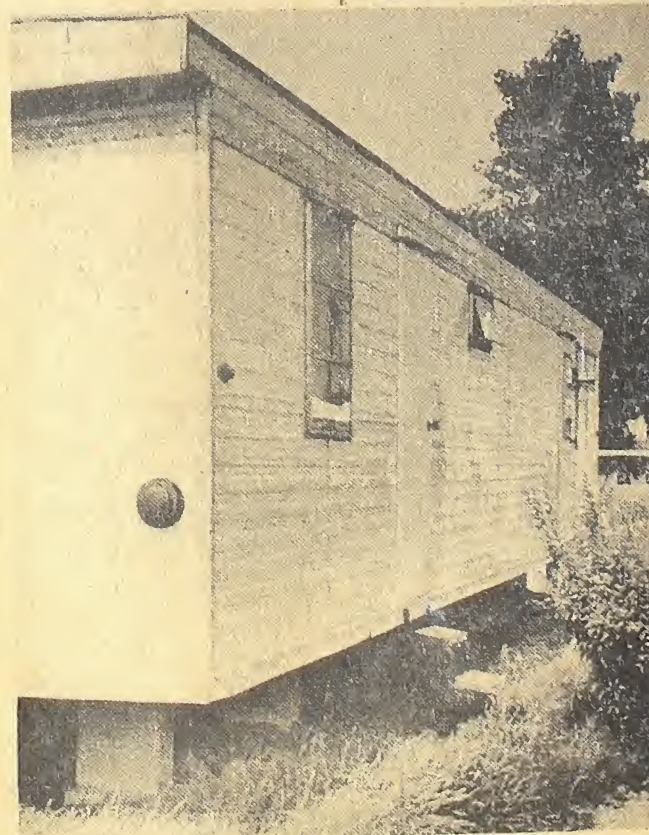

Councilmen James C. Stewart told the group that he had received a report on the trailer park and had made a visit to the park.

He turned over his initiatory check results to Mayor Hyle J. Carmichael, who added that the administration, and the city building department is making a complete investigation.

The mayor reported that he has about 12 to 15 complaints under investigation.

A building inspector reported residing in the park is assisting in the checking of the building code violations.

Robert Plank, spokesman for the group, reported that he was "amazed" on what he found at the trailer park and added it is a "health hazard" and corrections should be ordered immediately by council.

TRAILER PARK VIOLATION - The Romulus City Council ordered an investigation into complaints made against the Royal Village Trailer Park, located on Van Born Rd. near Middlebelt Rd. Tenants listed 13 alleged violations of the city building code and trailer park codes. The trailer above, for instance, should be situated on a cement pad, according to the tenants. It is one of the many complaints voiced before city council.

MAKING A POINT — James Davey, managing director of the Wayne County Road Commission, operators of the Detroit Metropolitan Airport, Romulus, making a point in his detailed account of the expansion program for Metro Airport and on the over-all airport program for Michigan. He was one of the principal speakers at the Michigan Professional Industrial Development

Association's meeting held at the Metro Airport Hotel last Thursday. With Davey (left) is mayor Hyle J. Carmichael of Romulus. The meeting participants were given a tour of Metro Airport with Davey and heard reports on the environmental problems relating to airport operations and development.

Yates' election recount leaves Canejo in seat

The vote total received by Hulen Yates, 32, of 15555 Colbert St. Romulus, in the June 14 school election in the Romulus Community School District remains the same, a recount of the votes showed.

The recount was conducted on Monday by the Wayne County Elections Commission.

The official returns for Yates as certified by the school district's Board of Canvassers remained unchanged.

Yates, who sought the one-year post on the school board, was defeated by a narrow margin of six votes by incumbent Gervazio Canejo, 41, of 16321 Dodge, Romulus.

The vote was 628 for Yates and 634 for Canejo.

The recount was the same except - in Precinct Five (Romulus Police headquarters) where county recounters found that the two bond proposals were defeated by 100 more votes than previously reported.

Voters in all of the school district's 11 precincts overwhelmingly defeated the bond proposals.

Canejo, who is completing a four-year term on the school board this year, sought reelection to the one-year unexpired portion of the term of William M. Oakley, who resigned to remain on the Romulus City Council.

Yates' petition for the recount contained 308 signatures. He needed only 228.

Council adopts levy

The Romulus City Council has adopted a resolution approving a property tax levy of 12.50 mills per \$1,000 of assessed property valuation, state equalized.

The millage levy is an increase of 1.1 mill over the current tax rate.

The resolution was required in order to place the amount of millage for the 1971 tax year on the tax rolls.

for retirement of the city's water bond issue, 3 mills; and for the retirement of outstanding sewer bonds 4 mills.

The millage to be assessed is allocated as follows:

For city operation and maintenance, 5.10 mills; for Romulus' share in the operation of the Peoples Community Hospital Authority (PCHA), .40 mills;

Head Start youngsters take last special outing

Outings and special activities marked the closing days of school for the Romulus Head Start youngsters.

Mrs. Janet Block's a.m. class visited the Garden City Pet Shop to buy supplies and equipment for their newly acquired pet gerbils. The children also enjoyed seeing the many other small animals, birds and fish on display in the shop.

Following the pet shop visit, the children and accompanying adults journeyed to the "Dunkin' Donuts" on Ford Rd., Westland, where they were guests of the management for a much enjoyed treat of donuts and fruit juices. The two parents who made the trip were Mrs. Kathy Tressler and Mrs. Diane Pasnik.

On June 7, the afternoon class and on June 9, the morning class, enjoyed visits to the Toledo Zoo along with a picnic lunch. They were

Huron 4-H'ers at fair

Several members of the Huron Valley 4-H Club participated in the annual Old Time Country Fair held recently at the Greenfield Village, Dearborn.

Janine Wojcik, wearing an outfit she had made, modeled in the fashion show. Evelyn Hulslander won a first place ribbon for a dress she entered in the fourth to sixth grade sewing competition. Karen Baschal received second prize for her dress in the same category.

Wayne Alderman, Ellen Traskos, and Robin Baschal all participated in dog obedience training demonstrations and the daily parades with their dogs. In the final competition Wayne received a third placing in Sub Novice B class and Ellen placed fourth in Sub Novice A.

Janet Alderman showed her Tennessee walking horse, Arkansas Traveler in the daily parades and horsemanship demonstrations. On the final day of the country fair, a horse show was presented and Janet and Traveler placed second in the English riding competition.

Man killed in tractor accident

Anthony Querchiagrossa, 71, of 2149 E. Outer Drive, Detroit, was fatally injured in a farm tractor accident in Huron Township.

Flat Rock Post of the State Police reported that Querchiagrossa was killed Tuesday, June 22, when a tractor he was operating in a Huron Township park overturned into a ditch and landed on top of him.

The tractor was pulling a cart and when it came close to the side of the ditch, the tractor wheel collapsed causing the tractor to overturn, police reported.

Community Relations group distributing brochure in area

The City of Romulus Community Relations Commission is distributing throughout the area a two-page brochure entitled "Bridging the Gaps of Human Relations."

The commission some time ago received the approval of Romulus City Council to use a replica of the city seal on the front of the brochure.

Surrounding the seal are the following words: goodwill, cooperation, intelligence, understanding and mutual respect.

The commission asks that "Bridging the Gaps of Human Relations" be accomplished

with the words displayed in the city seal.

The purpose of the commission is "to encourage and bring about mutual understanding and respect among groups in the city, eliminate prejudice, intolerance, bigotry, discrimination and disorder occasioned thereby, and give effect to the guarantee of equal rights for all assured by the Constitution and the laws of this state and of the United States of America."

The brochure contains a summary of the commission's creation, purpose and

authorizations and programs assigned to it.

The members of the commission are: Miss Elvera Fischer, chairman; Nathaniel Butler, vice chairman; Mrs. Donna Lee Zavitz, secretary.

Others are: Rev. Alvin

Burton, Rev. Lonnie England, Mrs. Mary Hatten, G. Tyrone Phenix, Mrs. Katherine Carter, Mrs. Mary Hearst, Thomas Janack, Thomas Coleman, Police Chief Jacob J. Koch, Gary Martin, Dale A. Nichols and Miss Nancy Shirley.

Council approved dollar-a-duck bill

A claim made by Irvin Icenogle of 13615 Huron River Dr., Romulus, for damage to some of his livestock (poultry) has been approved by Romulus City Council.

The council authorized City Treasurer Albert Glinko to pay for 37 ducks killed by a dog or dogs running at large. The city paid off the damage claim at \$1 per duck in

accordance with provisions of the dog ordinance.

Icenogle had presented his claim to the 34th District Court Judge James B. Stone.

An inquiry made by the court determined that the claim for damages made by Icenogle was justified the council was told.

Sumpter police probe explosion

The Wayne County Sheriff's Road Patrol and Sumpter Township police are investigating an explosion at 17416 Savage Rd. Sumpter Township.

The explosion, believed to have been caused by dynamite, occurred June 22, around 12:26 a.m., Sgt. Jerry Cox of the Sumpter police reported.

The dynamite was believed to have been placed at the bottom of the locked entrance door into the building.

Cecil H. Hall, operator of Cecil's Market, located at

17400 Savage Rd., owner of the building, stated that he does not know why the building was struck. No one was hurt. Damage was not heavy.

The building was once the club house for the Bikes United Motorcycle Club. It has been vacated by them approximately one year ago.

The president of Bikes United, who recently moved out of an upstairs apartment in the building, stated that his club has had no trouble with any other clubs and could not understand why anyone would want to blow up the building.

"Both the Citizens Advisory Committee and the Romulus Democratic Club are supporting this referendum attempt."
"However, the advisory group still stands ready to negotiate and discuss various necessary changes. We are also prepared to follow through the State Supreme Court if council forces us to do so."

Residents plan to test city's dog ordinance

Two Romulus residents, owners of pedigreed dogs, plan to initiate a lawsuit testing Romulus' present dog ordinance.

The dog owners are Kenneth Scafe of 39330 Wade, and his step brother John Stephenson of 10134 Ozga Rd. Both men appeared before Romulus City Council June 22 and made requests for permission to keep three dogs at their residences.
Their plea to city council was unsuccessful.

The current provisions of the city's Dog Ordinance prohibits more than two dogs at any private dwelling. The ordinance permits more than two dogs only at licensed kennels.

Scafe reported to city council that he had recently moved into Romulus and when making license application for his Irish setters was told by Romulus police that he could not have three dogs at his home as three dogs or more constituted a kennel.
He appeared before city councilmen with one of his Irish setters.

Scafe said that having a dog kennel requires five acres of land under the ordinance. His home occupies about one-half acre of land.

He said that his dogs including a pup are well behaved and are kept on his premises. He cited that in other states more than two dogs are permitted at private homes, and contended that while his dogs are kept under control other dogs are permitted to run at large.

Blue Bird paper drive on Saturday

The Romulus Blue Bird Girl Scout Troop 462 is sponsoring a paper drive on Saturday. The purpose of the paper drive is to raise funds to finance an overnight trip to Greenfield Village, Dearborn. Persons who have papers to contribute are asked to take them to 27970 North Line Rd., just east of Middlebelt Road.

Jimmie Raspberry told Scafe that he sympathized with him but that the provisions of the new dog ordinance prohibited more than two dogs and as long as the ordinance is the law of the city its rules and regulations will be adhered to. Mayor Hyle J. Carmichael also announced that the ordinance is the controlling

factor unless amended or changed by the council or declared unconstitutional by the courts.
Stephenson reported that his dogs are licensed in Inkster but when he came to Romulus was told that the license was not transferable to Romulus. He was ticked.

He said that he has at

Recording approved

(Continued from Page 1)

"I am opposed to electronic recording devices recording in council meetings. Before anyone be permitted to bring any recording devices into council sessions, permission should first be obtained from council and reasons cited for wanting to use such devices.

"The meetings are opened to the public, the minutes are available. Recordings sometimes can be very distorted. We should have a policy set on this."

Councilman James C. Stewart objected to the proposed motion. He said:

"I have to object. I feel that if anyone wants to record public meetings they be permitted to do. One main reason for

objecting is the motion may be an infringement of their rights. Passing such a motion would be illegal. I have attended many public meetings. I take recordings at such meetings. I wouldn't want anyone to be prohibited from doing the same."

A roll call of the council showed three councilmen for the motion and three against. Councilman Ellis T. Pennington was absent.

Council members who voted against the motion were James C. Stewart, William M. Oakley and Fred Junior Block.

Councilmen in favor of the motion were Edmund Bizek, brooker R. Edwards and Jimmie Raspberry.

In our opinion

Use common sense, courtesy in driving

Horrible as was is, its mortality rate can hardly compare with that of the open road in the United States. It's a well publicized fact that more people have been killed in highway accidents than in all wars involving the United States combined.

And that's despite the fact that our nation became involved in wars some 125 years before the first horseless buggy saw the light of day around the turn of the 19th Century.

And with the nation's second summer holiday coming up this weekend, that war-highway ratio is going to take another beating since some 400 or more persons will not be around to report to work Tuesday morning after starting out on a weekend drive of some sort throughout the nation.

Michigan's own road toll will probably climb over the 30 mark, with it not unlikely that at least one person reading this newspaper among them. It could be you. Or it could be one of your children.

The worst part is the fact that so much of the grief could be avoided by exercising more of just two traits that should be part of everyone's code of the road — courtesy and common sense.

One of our pet peeves is the driver who feels he (or she) owns the fast lane on a divided highway, an example of which we came upon yesterday morning on Michigan Avenue in Canton Township.

In this case, the fast lane driver had been there for some time driving just below the

legal limit when another car, travelling — it seems — about one mile an hour faster, gradually caught up on the right. The result was two drivers travelling virtually in tandem for about a mile just below the legal limit and causing a few cars to back up behind them.

Gradually the right lane car got just far enough ahead for a couple of drivers to weave their way dangerously through with quick moves to the passing lane.

We noticed, after the first car zipped through, the driver blocking the left lane glance at the speedometer in sort of smug way as if to cuss out the "reckless driver" who had so much nerve as to want to drive in the left lane.

The second driver trying to get through even attempted to motion the "left lane driver" into the righthand lane, all to no avail since "lefty" remained in that lane all the way from Canton Center Road to the location where Michigan Avenue divides in the City of Wayne.

To make matters worse, "lefty" probably drove that entire 4½-mile stretch thinking he (or she) was one of the safest drivers around these parts because he (or she) was travelling at a consistent just below the legal limit speed.

We'd like to stress the point that defensive driving involves, in addition to watching out for the other guy's mistakes, making sure you don't cause any unnecessary potentially dangerous situations yourself.

Speaking of schools

When is a schedule flexible?

By LUKE WEGIENKA, Assistant Superintendent of Huron Schools

Once again it is time for school boards, administrators and staff personnel to take inventory. Another school year has come and gone; but the proverbial question remains: what have we accomplished during this past school year?

During the summer months, many hours are spent on evaluation and planning. Evaluation indicates to educators, some changes are in order which will effect curriculum needs. Planning proves to all involved, extra time must be exerted to realize some measure of progress.

Computer scheduling is only one phase of planning but an important function of today's computerized society. Most schools have realized, without some assistance from the "Machine" endless hours of toil would be imminent.

I can recall, not too many years ago, scheduling was done by the old fashioned method, but it worked. The student was the most important part of the curriculum. We scheduled for each student; not for courses.

Today school districts, because they lack finances, must resort to expediency. From the principals, school personnel, counselors and ad-

ministrators come suggestions for curriculum changes.

In most school systems the responsibility rests with the counselors in developing course changes. They interview students, parents and staff members to get their opinions.

Surveys and questionnaires are distributed among students, their responses are recorded and discussion follows. Does this mean a change is automatic in the curriculum for the next year? No not necessarily.

School districts must be cognizant of many problems before curriculum changes can be realized. The few problems that come to my mind immediately but not necessarily in order are: finances, resource personnel, available space and time schedule.

As I view most school districts in the immediate vicinity, it will require their leadership and ingenuity to promote curriculum changes with whatever is presently available. Flexibility is a key word in education. We know, in the education arena,

innovations are things happening in our schools that keep our students encouraged and stimulated.

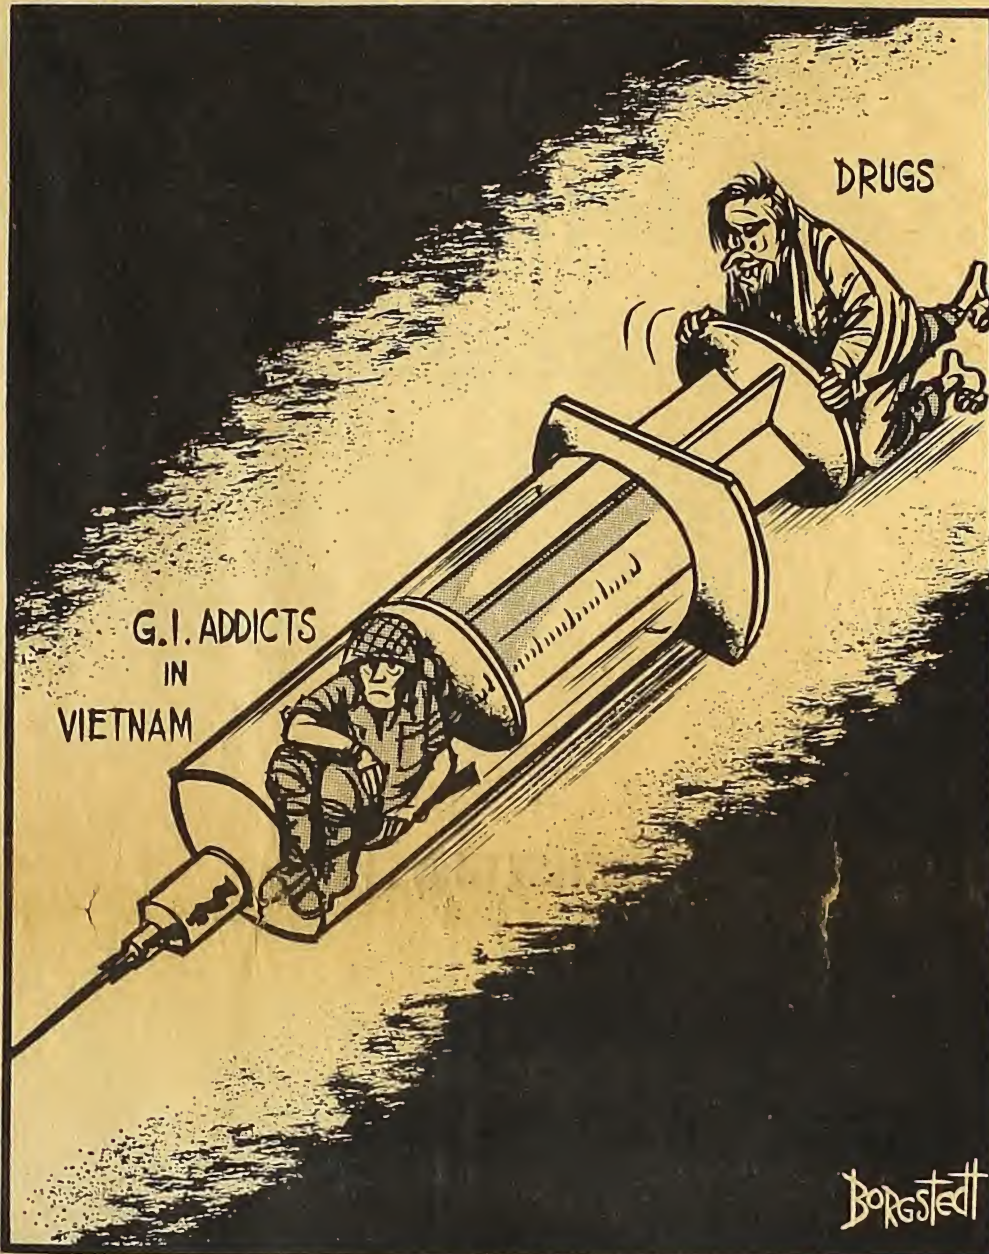

Challenging students to participate in new programs require inspirational leadership all the way from the board members through the administration, followed by the staff and students working together to make the change a reality.

What needs to be said here, is that each school system, as they take inventory, will realize adding to the curriculum or eliminating courses will not accomplish the intended goals of meeting the needs of students unless flexibility is part of the planning.

Certain amount of freedom must be granted to the educators to initiate course content, but within reason. That is to day, some students will be satisfied with the material in the text, whereas the more intuitive student needs the challenge of supplementary material to satisfy their capabilities.

As plans are viewed and reviewed in the curriculum content during the summer months, students need to assess their needs and make their concerns known to those assigned to the task of selecting courses that will make school relevant to them and their colleagues.

Citizen questions call for new referendum

To the editor:

Approximately one year ago, the Citizens Advisory Committee was formed at the suggestion of the City Council Chairman. This Committee consisted of a group of Romulus citizens interested in helping prepare a Master Zoning Ordinance, to replace the one rejected by the citizens of Romulus at the polls.

After many meetings, advice from professional people, as well as the citizens themselves, a Master Zoning Ordinance was presented to the planning commission.

The planning commission then re-evaluated the recommendations and met several times with the Citizens Committee to resolve the differences that were apparent.

The differences then were worked out to the point where the Master Zoning Ordinance was considered a good document and ready to be presented to the city council.

The council also re-evaluated it and held a Public Hearing at which the objections of the citizens, land developers and outside business interest were taken under advisement. The end result was the approval by the council and the Ordinance was made officially into law on May 6, 1971.

When the final draft of this Ordinance was presented to the planning commission, the Citizens Advisory Committee considered their work completed.

Now, about 6 weeks later an article in the Romulus Roman announcing that a second Referendum is being sought, at the tax payers expense.

Why? — This second Referendum is not the action of the entire Citizens Advisory Committee. Are there a few members of this disbanded committee using this means for some personal gain of their own?

Board seat winners thank workers, voters

To the editor:

An Open Letter to the Citizens of the Huron School District: We wish to thank you for the support we received in the June 14 Board of Education election.

We would like to extend a special thank you to the people who worked for us on election day, and on the campaign.

We will diligently serve the children in the Huron School District. We would encourage all citizens of the district to attend the Huron Board of Education meetings, held at 8 p.m. on the third Monday of each month, at the Hannan Road School.

Consumer confidence must be strengthened

By
John
Cunniff

While the forecasts at midyear remain rather optimistic, at least three measures of economic health followed by ordinary Americans are failing to respond as had been hoped.

Interest rates are climbing again. Inflation continues and may even have accelerated. Unemployment remains high and is widely expected to continue around 6 per cent or more for the rest of the year.

And partially as a result, a fourth measure, consumer confidence, remains depressed.

Highly sensitive to any news about interest rates, inflation and jobs, consumers are keeping a rubber band on their money roll, refusing to over extend themselves. They have been spiritless buyers. And there's the dilemma.

In order to get the economy moving, it is generally agreed,

confidence must be built. Almost every economist considers it a necessary ingredient. It is the common theme of most midyear reports from banks and businesses.

But how is confidence to be built when consumers and businessmen are faced with the disappointing statistical facts? In the absence of encouraging news, both consumers and businessmen brood rather than act.

The Morgan Guaranty Survey, for example, notes that businessman not only are

A look through The Daily Eagle files at news of Western Wayne County one, 15 and 25 years ago:

25 YEARS AGO

June 30, 1946 — Preliminary plans for the proposed structure to house various Wayne County offices here will be submitted to the Board of Auditors in a week, W. E. Davey, County accountant, announced.

Davey said that final plans are expected to be completed within four or five weeks after the preliminary plans are accepted by the Board.

Miss Pesky, who resides in Mt. Clemens, spoke on "Love."

A detailed report on the Bible Conference at Hastings, Mich., will be read at the coming meeting of the Society, at the church.

The Romulus Lodge "Degree of Honor No. 132 received its first state inspection at the group's regular meeting at the Romulus Township Hall. Mrs. Lillian Stein of Detroit was the inspecting officer in charge.

Guests of honor at the inspection included Mrs. Hazel Kemp, of Romulus, Michigan State President; Mrs. Verda Ferguson, Junior Past State President; Mrs. Dolly B. Bishop, Sr. Past State President of Detroit, and State Secretary Isabel Dahlka of Trenton.

It is such volunteer effort as this which helps to create a better and harmonious community.

Everyone had the "Hi Neighbor" attitude, said Chairman Don Kocher of last week's Old Fashioned Homecoming.

Not only that, he continued, but everyone benefitted.

The money that was raised by the organizations that participated will go to make Wayne a better, happier community.

Nothing spectacular happened, as the Garden City recreation softball league noted only one change in the standings as Central Electric jumped over Jo-Lee bar into second place.

Central played two games to Jo-Lees one and went a game up in the battle for second. Local 735 is on top the heap with 9 wins and a loss.

Belleville city engineers announced that attempts to reach a satisfactory answer to why recent bids for construction of extension lines and a new water filtration plant were nearly half again the amount of their estimates are still stalemated.

When bids were opened weeks ago, City Fathers discarded them, saying they were completely out of bounds and impossible for the Council even to consider.

June 30, 1970 — The Wayne Jaycees were rated first in their population and number four of 255 state chapters for the fiscal year running from June 1969 to 70, according to Jaycee president Nick Pallozzi.

Last year the group was rated 243 in the state.

A spokesman for the group attributed the jump in prestige to good leadership enthusiasm and increased involvement both internally and in the community this year.

WCCC bill goes to governor

A number of bills, after clearing both the house and senate, are being signed into law by the governor.

One of the most recent grants a \$400,000 supplemental appropriation for the financially-troubled Wayne County Community College. This appropriation is for operation expenses.

Reader speaks out against Carlson letter

To the editor:
Having fought my battle and lost, I vowed never again to speak out on an issue in our community. However the last attacks by Mr. Don Carlson on the members of the Homeowners Association and Mrs. Rochowiak has changed my mind.

Mr. Carlson would like us to believe he is the only one among us who remembers history, but when history is written down and records kept to verify each fact, we cannot change those events for our own purpose.

What you, Mrs. Rochowiak, failed to understand is that Mr. Carlson will gladly change history or alter any truth to achieve an attack on any organization or group of citizens who try to serve our community by taking a stand on an issue.

In 1965, our school board received a 4.5 million dollar bond issue for construction purposes including two elementary schools. As you know, these schools have never been built.

In 1968, when the schools wanted to increase our taxes by 5 mills, the Civic Association formed a committee to decide the need for that proposed 5 mill increase. Mr. Don Carlson was the spokesman for that committee.

Isn't it a fact Don, that you yourself, stated that the laws of the State of Michigan demands that monies appropriated for construction may not be used for other purposes, and that obviously our School Board was in violation of that law. Didn't you also state that because of this violation and also because of, in your opinion, the School Board's mismanagement of funds, you would not recommend the endorsement of that proposed five mill increase in school taxes?

On May 29, 1968, the school board announced that because of the defeat of the five mill increase in school taxes, drastic cutbacks in education would begin immediately and half-day sessions would begin in September of 1968. As concerned as you are now about your children's education, didn't this announcement bother you? Could you sleep well then, knowing you had done your duty to our children?

During the summer of 1968, we fought against the McMullan's Point apartment project arguing that 2000 apartments would again burden our schools. That project was fully endorsed by our School Board because it was to bring in a total of \$448,000 in school taxes, and in fact was to furnish a \$50,000 tax surplus.

The school board, through its public voice, the Chamber of

Commerce, led the people to believe that if the apartments were built the schools could operate without a tax increase. Isn't it a fact, Mr. Carlson, that even after the people of our township, in a Referendum Vote vetoed that project, you and your "concerned cronies" on the Board of Directors of the Civic Association voted to endorse that project? That apartment project is nearing completion and in addition, Lake Villa Apartments have been built.

If your reasoning was correct in 1968, and you were certain you were correct, then why do we need more tax dollars now?

You now tell us, Mr. Carlson, that the Civic Association endorsed the last proposed three mill increase in school taxes, and you belittle the Homeowners Association for opposing that increase.

The facts are that in 1968, the Civic Association had a membership of over 200 members, but by the careful maneuvering of Mr. Carlson and his pals, they have successfully handcuffed that organization's will to take a stand on any issue. That group now boasts a membership of 50 members and the fact is that the decision to endorse the three mill increase in school taxes was made by a grand total of seven members, led by Mr. Carlson.

At least in the Homeowners Association the entire membership was notified of the issue, and was asked to vote for or against the proposed millage increase and the total membership took a stand. That, Mr. Carlson, is democracy at work and for you to degrade this system shows your lack of intelligence of our way of life.

When children misbehave, we punish them. When young people rebel against society, they demonstrate. When taxpayers don't agree with their government, they petition for a referendum vote.

When our school board says one thing and does another, we must make them understand we are disgusted with them.

The Homeowners Association requested the school board to take a more active part in the planning of our Township, and to cooperate with the planning commission to achieve a more planned growth in our community. This request has been ignored just as it has been ignored before.

The school board must realize that demands for more school taxes will be met with increased apathy as long as they refuse to realize the problems and frustrations of the taxpayers.

The failure of Mr. Carlson to understand the full meaning behind the Homeowners Associations stand is clear to me. As I stated earlier, Mr. Carlson will attack any group of citizens who try to do a public service for our community. He has obviously been bought, paid for, signed, sealed, and delivered to perform that function.

Scouts wind up June activities

Boy Scout Troop 1739, under the leadership of Scoutmaster Chalmers R. Kline, has ended its June activities, and is now preparing for the summer camp experience for two weeks at D-Bar-A Ranch.

During the month of June, the troop experience two scout outings, in addition to having it's regular quarterly Court of Honor.

During the recent Court of Honor, Scout Harvey Millar received his first class rank. The boys that had gone to Washington, D. C., received the patches that were purchased for them by the scoutmaster Mike McCallum.

Glen Millar, Kenney Clelland, Marco Hernandez, Keith and Tom Kraushaar, Mike McCallum also was presented a special thank you award pin from Scoutmaster Kline for his outstanding services to the Troop and to Scouting.

Five boys were newly invested as Tenderfoot Scouts during investiture. Keith Kraushaar, Tom Kraushaar, Marco Hernandez, Glen Millar and Joe Bruckner.

The highlight of this affair was the presentation of the troop's American Flag and of the troop's Scout Flag by Tom Grecca and Stewart of the VFW Post 9568, Romulus.

Two Scouts Michael K. McCallum and Harvey A. Millar were sent to a week's training session at D-Bar-A Ranch for Senior Patrol Leaders. This training course has been designed for the preparation of leaders and for the receiving of the troop in general for their summer camp events. This year, Troop 1739 will be taking two weeks at D-Bar-A Ranch in mid-August with anticipated ten boys going.

Waltz Homecoming set for July 8 to 11

The annual Waltz Homecoming will be held July 8 to July 11, Alvin Lynos, Homecoming program chairman, announced Monday.

Events will be held every day during the Homecoming observance at the Waltz Ball Park, located at Waltz Rd. and Mineral Springs.

There will be dancing every night and sky diving on Saturday and Sunday, July 9 and 10.

The annual Homecoming Parade will be held on Sunday starting at 2 p.m. The parade will begin at Waltz and Bell Rds. and end at the ball park. Chicken plate dinners will be served on Sunday.

Lyons announced that the Belleville Jaycees will sponsor daily cornroasts, and

members of an area dance studio will present daily performances. In addition there will be ball games everyday.

Individuals or organizations wishing to enter the parade are asked to contact Lyons at 654-6500.

Soil survey initiated in Huron Township

The Wayne County Cooperative Soil Survey team is now working in Huron Township, according to Jerry Larson, Chief of the United States Department of Agriculture USDA Soil Conservation Service Soil Survey Team.

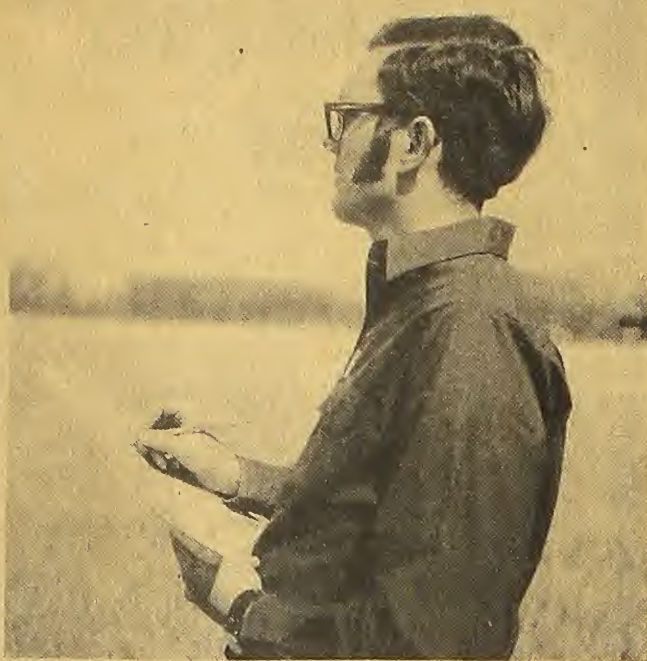

The soil survey is a cooperative effort between the Wayne County Board of Commissioners, the USDA Soil Conservation Service and the Michigan Agricultural Experiment Station.

The team will be surveying 160,000 acres in Western Wayne County over a three year period, while the Michigan Agricultural Experiment Station will be

surveying 40,000 acres. This makes a total of over 310 square miles to survey in the three year period. Wayne County contains over 600 square miles of land, but nearly one-half of this is so heavily built-up that it is not practical to survey now.

Paul Corder, soil scientist of the USDA Soil Conservation Service, is presently surveying in the northeastern part of the Huron Township, according to Larson.

Members of the Michigan Agricultural Experiment Station Soil Survey team, that started surveying in Wayne County last week, are working in the central portion of the Township.

HURON TOWNSHIP SURVEY — Paul Corder, Soil Scientist of the USDA Soil Conservation Service, is a member of the Wayne County Cooperative Soil Survey team which is now surveying in Huron Township. Paul is presently surveying in Section 12 of Huron Township and will be in Sections 11, 10, 13, 14 and 15 in the next two weeks.

Census bureau to question here

Questions on consumer buying and home improvement expectations will be asked by representatives of the Bureau of the Census in this area during the period June 28 - July 9, Robert G. McWilliam, director of the Bureau's regional office, Detroit, reported.

The questions are asked four times yearly as a part of a nationwide effort to collect information as a guide to governmental agencies in developing programs based on consumer spending patterns.

A sample of residents in this area will be asked if they expect to buy a house, car, or major household appliances during the next year and if they have made recent purchases of these items. Homeowners will be asked about home improvements

and repairs made during the last three months and any planned for the future.

In the first quarter of 1971, the survey results indicated that consumer spending plans were somewhat greater than in the fourth quarter of 1970, and among households in the lower income brackets there was optimism about income increases.

Information supplied by individuals participating in the survey is kept confidential by law and will be published only in the form of statistical totals.

TOWNSHIP OF SUMPTER ORDINANCE NO. 26

OUTDOOR ASSEMBLY REGULATIONS ORDINANCE

An ordinance to license, regulate and control, in the interest of the public health, safety and welfare, outdoor gatherings of persons in excess of one thousand in number, to provide penalties for violations thereof and to repeal all ordinances or parts of ordinances inconsistent therewith.

IT IS HEREBY ORDAINED:

Section 1. Preamble. The Township Board of the Township of Sumpter finds and declares that the interest of the public health, safety and welfare of the citizens of the Township of Sumpter require the regulation, licensing and control of assemblages of large numbers of people in excess of those normally drawing upon the health, sanitation, fire, police, transportation, utility and other public services regularly provided in this Township of Sumpter.

Section 2. Definitions.

a. "Outdoor Assembly", hereinafter referred to as "assembly" means any event, attended by more than one thousand attendants, all or any part of which includes a theatrical exhibition, public show, display, entertainment, amusement or other exhibition, including, but not limited to musical festivals, rock festivals, peace festivals or similar gatherings, but does not mean:

1. an event which is conducted or sponsored by a governmental unit or agency on publicly owned land or property; or
 2. an event which is conducted or sponsored by any entity qualifying for tax exempt status under Section 501 (c) (3) of the Internal Revenue Code of 1954, being 26 U.S.C. No. 501 (c) (3) as incorporated by reference in Section 201 of the Michigan Income Tax Act of 1967, Act 281 of the Public Acts of 1967, being Section 206.201 of the Compiled Laws of 1948; or
 3. An event held entirely within the confines of a permanently enclosed and covered structure.
- b. "Person" means any natural person, partnership, corporation, association or organization.
- c. "Sponsor" means any person who organizes, promotes, conducts, or causes to be conducted an outdoor assembly.
- d. "Attendant" means any person who obtains admission to an outdoor assembly by the payment of money or by the rendering of services in lieu of the payment of money for admission.
- e. "Licensee" means any person to whom a license is issued pursuant to this ordinance.

Section 3. A person shall not sponsor, operate, maintain, conduct or promote an outdoor assembly in the Township of Sumpter unless he shall have first made application for, and obtained, as hereinafter prescribed, a license for each such assembly.

Section 4. Application for License. Application for a license to conduct an outdoor assembly must be made in writing on such forms and in such manner as prescribed by the clerk of the Township of Sumpter and shall be made at least 60 days prior to date of the proposed assembly. Each application shall be accompanied by a nonrefundable fee of \$100.00 and shall include at least the following:

- a. The name, age, residence and mailing address of the person making the application. (Where the person making the application is a partnership, corporation or other association, this information shall be provided for all partners, officers and directors, or members. Where the person is a corporation, a copy of the articles of incorporation shall be filed, and the names and addresses shall be provided of all shareholders having financial interest greater than \$500.00).
- b. A statement of the kind, character, and type of proposed assembly.
- c. The address, legal description and proof of ownership of the site at which the proposed assembly is to be conducted. Where ownership is not vested in the prospective licensee, he shall submit an affidavit from the owner indicating his consent to the use of the site for the proposed assembly.
- d. The date or dates and hours during which the proposed assembly is to be conducted.
- e. An estimate of the maximum number of attendants expected at the assembly for each day it is conducted and a detailed explanation of the evidence of admission which will be used and of the sequential numbering or other method which will be used for accounting purposes.

Section 5. Each application shall be accompanied by a detailed explanation, including drawings and diagrams where applicable, of the prospective licensee's plans to provide for the following:

- a. Police and fire protection.
 - b. Food and water supply and facilities.
 - c. Health and sanitation facilities.
 - d. Medical facilities and services including emergency vehicles and equipment.
 - e. Vehicle access and parking facilities.
 - f. Camping and trailer facilities.
 - g. Illumination facilities.
 - h. Communications facilities.
 - i. Noise control and abatement.
 - j. Facilities for clean up and waste disposal.
 - k. Insurance and bonding arrangements.
- In addition, the application shall be accompanied by a map or maps of the overall site of the proposed assembly.

Section 6. On receipt by the clerk, copies of the application shall be forwarded to the chief law enforcement and health officers for the Township of Sumpter the state fire marshal, and to such other appropriate public officials as the clerk deems necessary. Such officers and officials shall review and investigate matters relevant to the application and within 20 days of receipt thereof shall report their findings and recommendations to the Township Board of the Township of Sumpter.

Section 7. Within 30 days of the filing of the application, the Township Board of the Township of Sumpter, shall issue, set conditions pre-requisite to the issuance of, or deny, a license. The Township Board of the Township of Sumpter may require that adequate security or insurance be provided before a license is issued. Where conditions are imposed as prerequisite to the issuance of a license, or where a license is denied, within 5 days of such action, notice thereof must be mailed to the applicant by certified mail, and, in the case of denial, the reasons therefor shall be stated in the notice.

Section 8. A license may be denied if:

1. The applicant fails to comply with any or all requirements of this ordinance or with any or all conditions imposed pursuant hereto, or with any other applicable provision of state or local law; or
 2. The applicant has knowingly made a false, misleading or fraudulent statement in the application or in any supporting document.
- Section 9. A license shall specify the name and address of

the licensee, the kind and location of the assembly, the maximum number of attendants permissible, the duration of the license and any other conditions imposed pursuant to this ordinance. It shall be posted in a conspicuous place upon the premises of the assembly, and shall not be transferred to any other person or location.

Section 10. In processing an application the Township of Sumpter shall, at a minimum, require the following:

a. Security Personnel. The licensee shall employ at his own expense such security personnel as are necessary and sufficient to provide for the adequate security and protection of the maximum number of attendants at the assembly and for the preservation of order and protection of property in and around the site of the assembly. No license shall be issued unless the chief law enforcement officer for the Township of Sumpter in cooperation with the Director of State Police is satisfied that such necessary and sufficient security personnel will be provided by the licensee for the duration of the assembly.

b. Water facilities. The licensee shall provide potable water, sufficient in quantity and pressure to assure proper operation of all water using facilities under conditions of peak demand. Such water shall be supplied from a public water system, if available, and if not available, then from a source constructed located, and approved in accordance with Act 294, Public Acts of 1965, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law, or from a source and delivered and stored in a manner approved by the Township of Sumpter health officer.

c. Restroom Facilities. The licensee shall provide separate enclosed flush-type water closets as defined in Act 266, Public Acts of 1929, and the rules and regulations adopted pursuant thereto and in accordance with any other applicable state or local law. If such flush-type facilities are not available, the Township of Sumpter health officer may permit the use of other facilities which are in compliance with Act 273, Public Acts of 1939, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law.

The licensee shall provide lavatory and drinking water facilities constructed, installed, and maintained in accordance with Act 266 of the Public Acts of 1929, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law. All lavatories shall be provided with hot and cold water and soap and paper towels.

The number and type of facilities required shall be determined, on the basis of the number of attendants, in the following manner:

Facilities	Male	Female
Toilets	1:300	1:200
Urinals	1:100	
Lavatories	1:200	1:200
Drinking Fountains		1:500
Taps or Faucets		1:500

Where the assembly is to continue for more than 12 hours, the licensee shall provide shower facilities, on the basis of the number of attendants, in the following manner:

Facilities	Male	Female
Shower Heads	1:100	1:100

All facilities shall be installed, connected, and maintained free from obstructions, leaks, and defects and shall at all times be in operable condition as determined by the Township of Sumpter health officer.

d. Food Service. If food service is made available on the premises, it shall be delivered only through concessions licensed and operated in accordance with the provisions of Act 269, Public Acts of 1968, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law.

If the assembly is distant from food service establishments open to the public, the licensee shall make such food services available on the premises as will adequately feed the attendants.

e. Medical Facilities. If the assembly is not readily and quickly accessible to adequate existing medical facilities, the licensee shall be required to provide such facilities on the premises of the assembly. The kind, location, staff strength, medical and other supplies and equipment of such facilities shall be as prescribed by the Township of Sumpter health officer.

f. Liquid Waste Disposal. The licensee shall provide for liquid waste disposal in accordance with all rules and regulations pertaining thereto established by the Township of Sumpter health officer. If such rules and regulations are not available or if they are inadequate, then liquid waste disposal shall be in accordance with the United States Public Health Service Publication No. 526, entitled, "Manual of Septic Tank Practice."

If liquid waste retention and disposal is dependent upon pumps and haulers, they shall be licensed in accordance with Act 243, Public Acts of 1951, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law, and, prior to issuance of any license, the licensee shall provide the Township of Sumpter health officer with a true copy of an executed agreement in force and effect with a licensed pumper or hauler, which agreement will assure proper, effective and frequent removal of liquid waste from the premises so as to neither create nor cause a nuisance or menace to the public health.

g. Solid Waste Disposal. The licensee shall provide for solid waste storage on, and removal from the premises. Storage shall be in approved, covered, fly tight and rodent proof containers, provided in sufficient quantity to accommodate the number of attendants. Prior to issuance of any license, the licensee shall provide the Township of Sumpter health officer with a true copy of an executed agreement in force and effect with a licensed refuse collector, which agreement will assure proper, effective and frequent removal of solid waste from the premises so as to neither create nor cause a nuisance or menace to the public health.

The licensee shall implement effective control measures to minimize the presence of rodents, flies, roaches and other vermin on the premises. Poisonous materials, such as insecticides or rodenticides shall not be used in any way so as to contaminate food, equipment, or otherwise constitute a hazard to the public health. Solid waste containing food waste shall be stored so as to be inaccessible to vermin. The premises shall be kept in such condition as to prevent the harborage or feeding of vermin.

h. Public Bathing Beaches. The licensee shall provide or make available or accessible public bathing beaches only in accordance with Act 218, Public Acts of 1967, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable provision of state or local law.

i. Public Swimming Pools. The licensee shall provide or make available public swimming pools only in accordance with Act 230, Public Acts of 1966, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable provision of state or local law.

j. Access and Traffic Control. The licensee shall provide for ingress to and egress from the premises so as to insure the orderly flow of traffic onto and off of the premises. Access to the premises shall be from a highway or road which is a part of the county system of highways or which

is a highway maintained by the State of Michigan. Traffic lanes and other space shall be provided, designated and kept open for access by ambulance, fire equipment, helicopter and other emergency vehicles. Prior to the issuance of a license, the Director of the Department of State Police and the Director of the Department of State Highways must approve the licensee's plan for access and traffic control.

k. Parking. The licensee shall provide a parking area sufficient to accommodate all motor vehicles, but in no case shall he provide less than one automobile space for every four (4) attendants.

l. Camping and Trailer Parking. A licensee who permits attendants to remain on the premises between the hours of 2 a.m. and 6 a.m. shall provide for camping and trailer parking and facilities in accordance with Act 171, Public Acts of 1970, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable provision by state or local law.

m. Illumination. The licensee shall provide electrical illumination of all occupied areas sufficient to insure the safety and comfort of all attendants. The licensee's lighting plan shall be approved by the Township Building Inspector or other duly delegated officer.

n. Insurance. Before the issuance of a license, the licensee shall obtain public liability insurance with limits of not less than \$500,000 and property damage insurance with a limit of not less than \$500,000 from a company or companies approved by the Commissioner of Insurance of the State of Michigan, which insurance shall insure liability for death or injury to persons or damage to property which may result from the conduct of the assembly or conduct incident thereto and which insurance shall remain in full force and effect in the specified amounts for the duration of the license. The evidence of insurance shall include an endorsement to the effect that the insurance company shall notify the clerk of the Township of Sumpter in writing at least 10 days before the expiration or cancellation of said insurance.

c. Bonding. Before the issuance of license the licensee shall obtain, from a corporate bonding company authorized to do business in Michigan, a corporate surety bond in the amount of \$10,000 each 200 attendants in a form to be approved by the Township of Sumpter attorney, conditioned upon the licensee's faithful compliance with all of the terms and provisions of this ordinance and all applicable provisions of state or local law, and which shall indemnify the Township of Sumpter, its agents, officers, and employees and the Township Board of the Township of Sumpter against any and all loss, injury or damage whatever arising out of or in any way connected with the assembly and which shall indemnify the owners of property adjoining the assembly site for any costs attributable to cleaning up and/or removing debris, trash, or other waste resultant from the assembly.

p. Fire Protection. The licensee shall, at his own expense, take adequate steps as determined by the state fire marshal, to insure fire protection.

q. Excessive Noise. Sound producing equipment, including but not limited to, public address systems, radios, phonographs, musical instruments and other recording devices, shall not be operated on the premises of the assembly so as to be unreasonably loud or raucous, or so as to be a nuisance or disturbance to the peace and tranquility of the citizens of the Township of Sumpter.

r. Fencing. The licensee shall erect a fence completely enclosing the site of sufficient height and strength as will preclude persons in excess of the maximum permissible attendants from gaining access and which will have sufficient gates properly located so as to provide ready and safe ingress and egress.

s. Communications. The licensee shall provide public telephone equipment for general use on the basis of at least one unit for each 500 attendants.

t. Miscellaneous. Prior to the issuance of a license, the Township Board of the Township of Sumpter may impose any other conditions reasonably calculated to protect the health, safety, welfare and property of attendants or of citizens of the Township of Sumpter.

Section 11. Revocation. The Township Board of the Township of Sumpter may revoke a license whenever the licensee, his employee or agent fails, neglects or refuses to fully comply with any and all provisions and requirements set forth herein or with any and all provisions, regulations, ordinances, statutes, or other laws incorporated herein by reference.

Section 12. Violations. It shall be unlawful for a licensee, his employee, or agent, to knowingly:

- a. Advertise, promote or sell tickets to, conduct, or operate an assembly without first obtaining a license as herein provided.
- b. Conduct or operate an assembly in such a manner as to create a public or private nuisance.
- c. Conduct or permit, within the assembly, any obscene display, exhibition, show, play, entertainment or amusement.
- d. Permit any person on the premises to cause or create a disturbance in, around, or near the assembly by obscene or disorderly conduct.
- e. Permit any person to unlawfully consume, sell, or possess, intoxicating liquor while on the premises.
- f. Permit any person to unlawfully use, sell, or possess any narcotics, narcotic drugs, drugs or other substances as defined in Act 343, Public Acts of 1952.

Any of the above enumerated violations is a separate offense, is a nuisance per se immediately enjoined in the circuit courts, and is punishable by imprisonment in the county jail for not more than 90 days or by a fine of not more than \$500.00 or both such fine and imprisonment.

It is further provided that any of the above violations is a sufficient basis for revocation of the license and for the immediate enjoining in the circuit court of the assembly.

Section 13. Severability. If any portion of this ordinance or the application thereof to any person or circumstances shall be found to be invalid by a court, such invalidity shall not affect the remaining portions or applications of this ordinance which can be given effect without the invalid portion or application, provided such remaining portions are not determined by the court to be inoperable, and to this end this ordinance is declared to be severable.

Section 14. Effective Date. All ordinances or parts of ordinances inconsistent herewith are hereby repealed. This ordinance is hereby declared to have been adopted by the Township Board of the Township of Sumpter at a meeting held on the 22nd date of June, 1971 and ordered to be published in the manner required by law and shall be effective 30 days after publication.

David Welsh, 13-year-old son of Mr. and Mrs. Ernest Welsh of Walnut Dr. had the thrill of playing in the Bill Monroe Fifth Annual Bluegrass Festival June 15 through 20, at Bean Blossom, Indiana.

David, who plays the mandolin, guitar, banjo, violin and bass, appeared with the "Dixie Mountain Ramblers."

The Festival is dedicated to the furtherance of bluegrass music. David's parents and family accompanied him there.

A Silver Anniversary party honoring Mr. and Mrs. Earl Michling, 32360 Prescott, was held Saturday, June 19, at the home of her brother and wife, the Jim Wollenbergs, on Gloria St., Wayne.

The surprise gathering was arranged by the Michling children, Mr. and Mrs. Roger (Linda) Palencar of Wayne, Allen and Cheryl Michling at home. Sixty guests were present for a buffet supper and open house.

The anniversary cake was baked by a sister-in-law Clarabelle Griffin of Farmington. The Earl Michlings, both lifetime residents of the area, were married June 22, 1946 at St. Paul's Lutheran, New Boston. She is the former Betty Wollenberg.

The next regular meeting of the Ladies Missionary Group will be held Thursday, July 1, at the Calvary Baptist Church on Ozga Rd. The time is 10 a.m.

Staff Sgt. Charles F. Miank, Jr., son of the Charles Mianks, Sr. of Romulus, recently received an airforce commendation medal, an Oak Leaf Cluster, after his second tour of duty in Vietnam.

HE is now attached to a SAC Base in California.

The citation reads, "Staff Sgt. Miank distinguished himself by meritorious service while attached to the 360th Tactical Electronic Warfare Squadron, from Nov. 29, 1969 to Nov. 29, 1970. Staff Sgt. Miank's tactical

and managerial knowledge contributed to an operational ready rate of 80 percent and a mission effective rate of over 95 percent for the 360th. Tactical Squadron."

The Michigan Department of Education has notified the Romulus School Board that the 42 school bus fleet of the Romulus Community Schools has successfully passed the high standards set for bus inspection. Romulus has 100 percent of its school buses meeting all standards prescribed by the State Police.

Miss Pamela Clark, daughter of the William A. Clarks of Dearborn Heights, became the bride of Mike Owens of Detroit 7 p.m. Saturday, June 19, at the First Methodist Church in Dearborn.

Mr. and Mrs. Leon LeBlanc and daughter, Janice, of Haggerty Rd. spent four days last week visiting their niece and family, the Philip DeLangis' of Miralet, which is located in the Palos Verdes Estates in California.

A THOUGHT TO REMEMBER

BY HAROLD REDISKE, DIRECTOR

In our 4th of July celebration we ought to thank God our forefathers were so deeply religious. Some of them could have made a name for themselves in the pulpit as well as in affairs of state.

For example, Washington wrote, "I am sure that there was never a people who had more reason to acknowledge a divine interposition in their affairs than those of the U.S." ... John Adams wrote, "I have been a church going animal for 76 years, from the cradle." ... Franklin wrote, "I believe in one God, Creator of the Universe" and it was he who moved, "That hence forth prayers imploring the assistance of Heaven be held in this Assembly every morning." Congress continues the practice to this day. Jefferson, during his trying days as President, began a writing, "The Life and Morals of Jesus of Nazareth." It was later translated into 3 languages. Alexander Hamilton, just before his duel with Aaron Burr, wrote his wife, "The consolation of religion, my beloved, can alone support you; and these you have a right to enjoy. Fly to the bosom of God and be comforted."

These sort of men founded our nation with faith. They differed in their religious beliefs but they all agreed the religion of every man must be left to the conviction and conscience of every man. This is our heritage. Lets give thanks for the "Faith of our fathers - living still!" ...

Canines find prisoner in first area exercise

Romulus police assisted by two trained German Shepherds from Taylor Police Department's new K-9 corps captured on escaped prisoner last Wednesday.

Bennv Kay, 21, of Romulus, was apprehended in waist high weeds along the I-94 Expressway, north of Goddard Rd., and east of Wayne Rd.

Romulus Police Chief Jacob J. Koch reported that Kay had been sentenced to serve 90 days in the Detroit House of Correction by 34th District Court Judge James B. Stone for careless use of firearms. Kay escaped from the rear seat of a police scout car as he was about to be taken to the Detroit House of Correction.

The police car was parked at the Romulus police station. Police reported that Kay slid his hand through a partially opened scout car window and opened the door of the locked patrol car.

Both Romulus police and officers from the Road Patrol Division of the Wayne County Sheriff's Department surrounded the area.

Taylor police dispatched two of four German Shepherds from their newly organized K-9 corps to the scene.

The four dogs had completed their training on May 26 and had been used on routine patrol since. It was the first time they were called to assist an area police force.

The dogs were handled by Patrolmen Wayne Tindel and John Ballanger during the search. The dogs flushed the escapee from tall weeds along side I-94 Expressway.

Chief Koch, who finally apprehended the escapee, said that he spotted Kay peeking above the weeds and when he

approached him, he was crawling on his stomach. He gave up without resistance.

In giving credit to the dogs "Char" and "Satan," Chief Koch said, "I don't think we would have found him in those tall weeds without the assistance of the dogs. They are a credit to their trainers."

Summer theatre begins Tuesday

Romulus adults and teens may begin a Summer Theater Program in the Romulus Senior High School Auditorium on Tuesday, July 6, David Ferdon, director, announced Monday.

The July 6 date marks the start of practice which will be held from 6:30 to 9 p.m. Subsequent practices will be held Monday through Thursday at the same time until performance dates of Aug. 6 and 7.

Slated for production is a full length comedy entitled "Paddle Your Own Canoe" authored by William F. Davidson with Robert Heimerl.

The story relates the adventures of newlewedds in an isolated fire station in northern Minnesota. However isolated northern Minnesota may be, it soon succumbs to the influences of Madison Avenue, USA, with humorous results.

The summer theater program promises to be fun for all. Tryouts and practices, to be held in the air-conditioned auditorium, will

provide for full use of the theater.

For those interested in participating, but not acting, there is a full range of related activities planned in various production crews.

Those coming for tryouts should enter the high school through the back entrance of the auditorium, the entrance nearest to S. Wayne Rd. and the I-94 Expressway.

For further information call Ferdon at the high school 941-1270.

Station use is approved

The Van Buren Township Board has approved a request from the Belleville-Van Buren Jaycee Auxiliary for permission to use Fire Hall No. One, located on Fourth St., off Main St.

The auxiliary wants the fire hall to conduct a Rummage Sale on July 16.

Soybeans down in '70

Wayne County farmers harvested 14,200 acres of soybeans for beans in 1970, according to Arvin Budget of the Michigan Crop Reporting Service.

Production amounted to 298,000 bushels, an average of 21.0 bushels per acre. This compares to the 1969 crop of 315,000 bushels from 14,000 acres.

County planning four golf clinics

The Wayne County Road Commission will sponsor four golf clinics for Junior golfers on July 1, 6, and 8 at Warren Valley Golf Course, 26116 West Warren, Dearborn Heights.

To be eligible for lessons, a boy or girl must have passed his ninth birthday and must not have reached his 15th birthday by June 23.

The clinics--which will start at 8:30 a.m.--will be conducted by Frank Jawor, Warren Valley's golf professional, and Tom Amundson, associate professional.

Application forms may be obtained at Warren Valley's Pro Shop. A waiver of responsibility must be signed by the parent or guardian of each child.

Participants who attend at least three of the class sessions will be allowed the privilege of playing nine holes

a week for 75 cents, according to a schedule established by course management. They will receive membership cards in a junior club that will be formed.

The Road Commission operates Warren Valley Golf Course as part of the county's park system.

Q. Our dad passed away recently, but prior to his unexpected death, we felt that he should've discussed some of his personal matters with us. For instance, we are aware that he had quite a few war bonds but we don't know how to locate them. Is there anyway we can have duplicates of these "war bonds" made?

Miss Susan Wert,
Romulus, Mich.

A. We are told that you should write:

There is a good possibility they can help you. And always keep in mind the fact that we are always ready and willing to cooperate with the people of the community regarding these or similar problems that may arise.

COMMUNITY EVENTS
Adults try-outs for "Paddle Your Own Canoe" will be held on July 6, at Romulus Senior High School auditorium starting at 6:30 p.m.
All those interested in a part in the three act comedy are invited to attend by David Ferdon, director. The production is being sponsored by the Romulus Recreation Commission.

LOWER HURON PARK - If the weather's fair, this will be the scene at the pool at Lower Huron Metropolitan Park this holiday weekend. This 1,000 acre site is located along the Huron River and has several large picnic areas, shelters and play equipment. Swimming hours at the pool are 9 a.m. to dusk daily and food service opens at 10 a.m. and closes at dusk. The bathhouse has heated showers, dressing rooms and coin-

operated lockers for clothes checking. Other park facilities include the 18-hole "Par 3" golf course, a small nature center and nature trails which are labelled for self-guided hikes. There is special play equipment for youngsters 2 to 6 at the Tot Lot. Park hours are sunrise to 11 p.m. Entrance to the park is on Hannan Road. The park phone is 697-9181.

Not enough plot in 'The Wild Rovers'

Metro-Goldwyn-Mayer presents, "Wild Rovers," written and directed by Blake Edwards, produced by Edwards and Ken Williams, music by Jerry Goldsmith. Panavision, Metrocolor, Rated GP, 108 minutes. At the Quo Vadas with the following cast: William Holden, Ryan O'Neal, Karl Malden, Lynn Carlin, Rachel Roberts.

By HOWARD ALLEN
Eagle Movie Critic

Clint Eastwood would never believe it. In Italy, where they really know how to stack the bodies up, "Wild Rovers," Blake Edwards's leisurely characterization of two saddle tramps and their dreams of glory, would send them into shock. One saloon fight of the cowboy vs. shepherd genre,

with nobody seriously hurt; a bloodless bank robbery; one fatal shootout over a card game and the final showdown.

Mostly Edwards is concerned with his two protagonists, William Holden as Ross Bodine, an aging cowboy whose dreams of a spread of his own in Mexico are becoming more remote with the passing years and peppery young Ryan O'Neal as Frank Post, who looks at Bodine and sees himself 25 years hence and doesn't like it.

Post proposes a bank robbery, so one night Bodine forced the banker to unlock his safe while Post holds his wife ransom. Post isn't much of a desperado. When a cougar manages to kill the banker's nursing dog, Post abandons his victim to take after the cat and, when the pair later flee with the money, Post shows Bodine his catch—one of the pups he stole. Before they can head for Mexico, they must first find milk for the pup. (Are you listening, Clint?)

Edwards now aims his pair leisurely in the direction of Mexico, unaware that Karl Malden, their employer, furious that two of his hands would do such a thing, has sent his sons after them to bring them back.

The trip south produces nothing more than trivial conversations, revealing no great insights whatsoever, so informal as to verge on slice-of-life techniques, until they seek supplies in an outpost where Post is accused of cheating in a card game and gets wounded in the ensuing gunfight. Ultimately the wound becomes infected and he dies, after which Bodine meets up with the rancher's sons and joins him.

If "Wild Rovers" offers anything, it is two interesting portrayals by Holden and O'Neal. Holden is aging, rough hewn but a lively and engaging character while O'Neal has drifted about as far away from "Love Story" as you can get. Both are sentimentally drawn.

"Wild Rovers" is close to two hours long. There isn't nearly enough plot to last.

'Chalk Garden' to perform Friday at Wonderland

Wonderland Center's highly acclaimed series of Friday night live musical performances will continue during the month of July.

The Chalk Garden, a popular versatile trio of multi-talented young vocalists and musicians, will perform at the Center for a concert and dance on both Fridays, July 2 and July 9.

The Chalk Garden is comprised of David DelGrosso, Larry Theisz, and John Irwin. DelGrosso sings lead and plays bass guitar, sax and percussion. Theisz plays guitar and bass organ, and Irwin is a drummer.

The Wonderland Music Festival is held in the center of the mall beginning at 9 p.m. There is no charge for admission.

Wonderland Center is located at Plymouth and Middlebelt roads in Livonia.

'Shaft' is part of new era of black films and film-makers

Metro - Goldwyn - Mayer presents a Sterling Silliphant-Roger Lewis Production, "Shaft," directed by Gordon Parks, produced by Joel Freeman, screenplay by Ernest Tidyman and John Black from Tidyman's novel, music by Isaac Hayes. Metrocolor. Rated R. 98 minutes. At the Palms with the following cast: Richard Roundtree, Moses Gunn, Christopher St. John - Charles Cioffi, Gwen Mitchell.

By HOWARD ALLEN
Eagle Movie Critic

When Gordon Parks released "Learning Tree," quickly followed by such as "Sweet Sweetback" and several others, the black era of film-making began in truth. Black critics have noted that the Sidney Poitier-syndrome merely cast black actors in white films and black concepts were stated in white terms.

If freedom means license, as "Sweet Sweetback" suggests, than black film-makers must be free to go their own ways and, yes, make their own mistakes and even drown in their own crudities.

But, as "Shaft" shows, it doesn't take too long to learn. You can't get much more black than "Shaft." Its director is Parks. It's financier is Sterling ("In the Heat of the Night") Silliphant. Its composer is Isaac Hayes. Soul it may have but "Shaft"

happens to be excellent entertainment in any man's idiom.

John Shaft is a private detective. As drawn by the handsome-ugly Richard Roundtree, stripped of his color, Shaft is vintage Humphrey Bogart. No nonsense. Shaft isn't cowed by police lieutenants, gang lords, hoods, women or anything. He is a super-rugged individualist whose credentials are authentically drawn from Black Mask magazine in the best traditions of Hammett. Parks, so exquisitely lyrical in "Learning Tree", demonstrates his versatility in "Shaft," which is all muscle. There is a brief sensation during some shots of Harlem that few white directors could quite capture the depressing ugliness of New York's worse blot, but there is little time for such reflective sensations.

Shaft is hired by Harlem vice lord Moses Gunn to find the kidnappers of his college-age daughter. His investigations ultimately uncover the Mafia, displeased because Harlem vice has become so organized that black chiefs are making their own foreign purchases and squeezing the Mafia out.

Shaft is caught between the pressures of a black militant organization whose guilt is cynically suggested by Gunn

to involve their muscle in his search, of imported Mafia hoods seeking to eliminate him, and of police Lt. Vic Andruzzi who is attempting to squeeze information out of Shaft by holding a possible manslaughter rap over him because Shaft threw one of Gunn's hoods out the window. Bogey would have been proud of him.

IZZITCHER BIRTHDAY?? OR was it this last week? Or next week, even next month? Because if it is, YOU are about to be an Honored Guest of THE CHICAGO ROADHOUSE 21400 Midway Ave., in Dearborn just west of Southfield Expressway!! In fact, if your birthday falls in a given week ANY Sunday thru Sat'day, you AND another person of your choice are invited to come in on Monday or Tuesday of that week, to enjoy TWO Dinners at one half the total price, plus 10 cents!! Your Drivers License must read over 21, and Host Jack Vallan will arrange the rest. Saddy, our own license provided the proof, but we lost the blues quickly when our Skewered Kabob of Lobster Tail and Filet Mignon arrived!! "The other person of my choice" had a Regency Filet Mignon, exceptionally tender and mild. (So was the Regency Filet Mignon.) Hey! That Chicago Road House is a treat, birthday or not! And you don't haveta haveta Birthday at all! If you spot Cap Patric there! I'm the guy who picks up the tab when you say "ainchum it?"

"EVERYBODY INTO THE POOL!!" hollered Mike Andrews... and, in last weeks 100 degree weather, nobody argued. Later, though, when it got soft-light-and-quiet-music-by-the-lake-time, we all cruised out to Walled Lake, to a handsome new place right out of King Arthur! THE SQUIRE'S TABLE, at 1403 S. Commerce Rd., is truly a Mid-summer Night's Dream... with rough-hewn beams and deep-soft carpeting. Water lilies lazily at the shores-just a stone's throw away and, Baby, it's c-o-o-o-l inside! "Cooler" yet is Recording Artist Ronnie Bell, who makes with the velvet voice on Friday and Saturday nights. Mine Host had a reservation, which is a weekend must... so we were lucky... and just to make sure our LUCK NEVER runs out... we made an advance reservation for tonight! DO THAT, if you want to hear Ronnie... or for that wonderful feeling (we've said it before, but it bears repeating) of being THE 1st one in the door!! A growing number of people are also making it a middle-of-the-week "Evening Out" since the same great service prevails, and the romantic atmosphere makes for a mid-week break that eases the whole seven days! Vargo's is Cap's "Prescription" for the Summer blues. And Mario Gogon is only ONE of the unforgettable you'll encounter there! It's that filip you search for...that frosting-on-the-cake and just-us-two experience you'll love. And Don and Patricia and Mario...and Cap Patric will love ya right back!

WHEN YOU SAY VARGO'S...and when you say Mario...you are, in essence, saying the same thing. For Don and Patricia Vargo, and Chef Mario Gogon are ALL devoted to bringing the finest specialties available to Family Diners, at VARGO'S (30325 McNichols, in Livonia) in an atmosphere of elegant dining and dancing. People are standing in line weekends for the soft shell Crab... for the moonlight-mood Music... and for that wonderful feeling (we've said it before, but it bears repeating) of being THE 1st one in the door!! A growing number of people are also making it a middle-of-the-week "Evening Out" since the same great service prevails, and the romantic atmosphere makes for a mid-week break that eases the whole seven days! Vargo's is Cap's "Prescription" for the Summer blues. And Mario Gogon is only ONE of the unforgettable you'll encounter there! It's that filip you search for...that frosting-on-the-cake and just-us-two experience you'll love. And Don and Patricia and Mario...and Cap Patric will love ya right back!

FRANK SKRUMBELLO is a man who understands people. He's not just a Greek God. He's a people pleaser. "A Woman" he explained, "is someone who, after she pilots a shopping cart up a 30 inch aisle without missing a single bargain... drives home and misses a 12 ft. garage." (Right there he understands my girl!) And she misses the garage in Cadillac... yet!! So what does a woman do when she needs understanding? She seeks out a spot like THE GOLDEN COIN, at 1870 S. Wayne Rd., (at Palmer) and she can meet a friend and tell her about narrow garages and they can cry all afternoon. Or she can ask Father to meet her at the Coin for Dinner... and get him so... friendly... he won't notice the Caddy for days. And Frank has stocked up on stuff that helps people forget their troubles. Like Liqueur Parfait. And Chocolate Eclair. And Lucille. (S-h-e understands MEN.) and a little relaxer named in her honor: The Golden Goddess. Now, no matter what's troubling you... you KNOW you can feel better at a place that, right at the bottom of the menu, invites you to "whisper" to the Waitress, right?? Frank and Lucille have thought of everything!! So when it's humid, or you're tired or bored or troubled... OR when you feel real great and just want HIM to realize it... pick The Coin for a setting. An' set a spell.

THERE OUGHTA BE A LAW... in fact, there MUST be... that anyone on their way to or from Lansing shops on the way there AND back... at THE DANISH INN! It's located at 32305 Grand River, in Farmington, so it's on the way to the Capital... yet that couldn't be the only reason I meet so many of my good friends, both State and County Officials, at The Danish Inn! I figure the Gentlemen who make the Laws... must make it a personal law to enjoy the best whenever they have the opportunity. Passing that way recently were State Representative Leonard Walton... Representative Thomas Brown, of Westland... Judge Gerald Groat... Barrister Robert Greenstein... and one of my favorite Constituents, Judge Al DeBiasi. And all on different days, yet! And, in Lansing myself last week on business... I just missed the person I wanted to see... and was told: "The Danish Inn is back your way... you might just find him there!!" Seems the vote-getters are casting a strong vote for The Danish Inn, nowadays!

AND... IF WE'RE TALKIN' GOVERNMENT... we MUST here mention that we've been enjoying a no-liquor, 24-hour, come-as-you-are Restaurant for a few months now... and CANNOT think of one single time, whatever the hour of day or night, that we have visited VICTOR'S, at 34410 Ford Rd., in Westland, and NOT seen a City Employee there! Including one young lady (whose name we won't reveal), on her lunch-hour from City Hall... who appeared to be signalling frantically for a left turn off Vic's parking lot... FOR 15 MINUTES!! "What's the problem...?" we asked. "Wheels locked?" "No," she explained patiently. "Nails drying." Too bad we can't mention her name, because you'd understand her famous figure if we told you WHO was just inside, doing her nails and enjoying a Weight Watchers Charbroiled Delmonico Steak, with lettuce and tomato and cottage cheese. But she DOES have a figure, oh boy! And she DOES have good taste: Victor's! And she DOES know the "in" place for a quick lunch. And NOW, y-u-u-d, too!

LADIES, LADIES!! Come ALONE... bring your FELLA... if your name is Margie Gariz... just move in and stay forever! Becuz THE STOCK EXCHANGE and ALL the bulls' n bears, and TROY MADDOX & THE MARK II love Ladies... and especially Margie Gariz! They're over at 27554 W. Warren, is Westland... and THAT'S WHERE Ladies come in droves on their "Stag" Nites... Tuesdays and Thursdays! MONDAY NIGHT... there's Troy at the mike... Gary Crista on the Organ... and John Ruff on the Drums... PLUS a Guest Artist. So what happens Wednesdays, Fridays an' Saturdays? Since we have some space limitations... ask us instead what doesn't happen! Bunnies pass out knockers... people begin to move... they wind up onstage... and "things" h-a-p-p-e-n. The sound is mod... but NOT past understanding. The feeling is GREAT... and no letdown. It's the one spot that's BETTER every time! Girls... get the habit. We're waitin', Girls.

THEN THERE'S THE PARTY you give yourself. NOT the "come-on-my-house" party, but THE party of a lifetime. That Dream of a WEDDING DAY you've always planned for your Daughter. That fabulous Reception that happens once in a lifetime. A Banquet for someone who must be honored... a Luncheon for fifty... a Convention for MANY hundreds. Business Meetings. Exhibits. The list is endless, but the location is ONLY ONE: VLADIMIR'S, at 28125 Grand River (at Middlebelt). Easy Access and more than Spacious Parking only hint at the inside, where one quickly discerns WHY this is the perfect setting for any occasion! A Dias for Speakers or Entertainers... special arrangements for film presentations... fabulous dancing areas, either indoors or out on the Penthouse Patio... ceiling and wall lights used to highlight certain things, as you want them brought into focus... this place is almost beyond words! YOU MUST see it for yourself, if you have a great occasion in mind! Call Walter Sarcevic at 477-8050. He would be delighted to schedule a visit for you.

TAKE ONE Famous Photographer... and one ex-School teacher... and mix well. Okay, what did YOU come up with? A couple sharp Businessmen? Yeh. But guess what I came up with? A 25 OZ. BANANA SPECIAL!! And that's not all. These being "Changing Times"... you'll find the "CHANGING TIMES" making music there on Wednesday thru Saturday. Allan Odom is Lead Singer for the group, which gets down to bare necessities and tells it out loud. The Masons (Louie at the Organ and Larry on Guitar) back him up, along with Drummer Jimmy Ford. Then suddenly the "times change" to slick 'n satin... and Allan Odom emerges as a very wonderful sound. Another Voice, Gary Robbins, is around Sundays... with Folk Songs... and softer music. By then, you've gone so bananas on Sam's 25 OZ. BANANA SPECIAL... you have to come back in the daytime... for the Businessman's Luncheon. In order to wander around and have a look at the photographic theme. It's too much for one column. YOU go over and see some of it for yourself... and I'll tell you some more next time. It's THE STUDIO LOUNGE, at 6921 N. Wayne Rd., just 3 blocks south of Warren!! (If you see some baseball Uniforms... you're there!)

CITY OF BELLEVILLE COUNCIL MINUTES

REGULAR MEETING

JUNE 21, 1971

A Regular meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan was called to order by Mayor Smith, with Councilman Palmer, Hamlin, Boone and Amerman present. Also present, B. Ward Smith, City Attorney.

Motion by Boone, seconded by Amerman, that the minutes of the regular meeting held June 7, 1971, be approved. Carried unanimously.

Motion by Amerman, seconded by Palmer, that the bills presented for payment, be paid. Carried unanimously.

Motion by Hamlin, seconded by Boone, that the Treasurer's report for the month of May 1971, be accepted. Carried unanimously.

Motion by Boone, seconded by Amerman, that the Wayne County Federated Library Bill be tabled until the regular meeting to be held July 19, 1971. Carried unanimously.

8:00 P.M. Bids for the Pavings of High St. opened and read as follows:

- | | |
|-------------------------|-------------|
| 1. Thompson-McCully | \$9,167.59 |
| 2. Cook Construction | \$12,170.00 |
| 3. Washtenaw Asphalt | \$10,500.00 |
| 4. Metropolitan Asphalt | \$8,290.00 |
| 5. Ypsilanti Asphalt | \$11,445.00 |

Upon Motion by Boone, seconded by Hamlin, that the following resolution was offered:

RESOLUTION

WHEREAS, THE bid for the Paving of High St. in the City of Belleville, be awarded to Metropolitan Asphalt, and WHEREAS, their bid, being the lowest of \$8,290.00 be accepted,

BE IT FURTHER RESOLVED, providing that the Metropolitan Asphalt Paving Co. post a bond with the City of Belleville, one for performance and one for payment, in the amount of the contract.

AYES: PALMER, HAMLIN, BOONE, AMERMAN, SMITH NAYS: NONE

Mayor Smith, re-appointed Justin Emerson and Eben Smith to the Electrical Board for the City of Belleville.

Motion by Amerman, seconded by Palmer, that the Mayor's appointments be confirmed. Carried unanimously.

Mrs. Woody and Mrs. Faybrick, were present in regards to operating a Boarding House in the City of Belleville in a Business District. The Council informed Mrs. Woody and Mrs. Faybrick, that it would not comply with the City of Belleville Zoning Ordinance. A Board House is only permitted in an R-1 or R-2 one family residential district.

Mr. George Steger, representing the Moose Lodge, presented drawings and discussed the proposed expansion of the present building located at 460 E. Huron River Dr. and also discussed the parking requirements. The Council informed Mr. Steger, that the Moose Lodge would have to comply with the Zoning Ordinance for Parking Requirements, if the expansion or addition were made.

Upon Motion by Councilman Amerman, and supported by Councilman Boone, that the following ordinance was offered:

CITY OF BELLEVILLE ORDINANCE NO. 71-116

AN ORDINANCE TO AMEND ORDINANCE NO. 56-77 AS AMENDED, BEING AN ORDINANCE TO PROVIDE FOR MUNICIPAL OWNERSHIP, CONTROL, MANAGEMENT, MAINTENANCE AND CARE OF WATER AND SANITARY SEWER FACILITIES BY THE CITY OF BELLEVILLE; TO ESTABLISH RATES AND CHARGES AND PROVIDE FOR THE COLLECTION THEREOF; TO ESTABLISH RULES AND REGULATIONS COVERING THE USE OF THE FACILITIES; TO PROHIBIT CERTAIN ACTS AND TO PROVIDE PENALTIES FOR VIOLATION THEREOF. THE CITY OF BELLEVILLE ORDAINS:

Section 1. This Ordinance No. 56-77, as amended, entitled "The City of Belleville Water Sewer Ordinance," be and it is hereby further amended by changing Section 7.6 and Section 8.4, which changed sections shall read as follows:

Section 7.6 TAP CHARGE. For any tap or any enlargement or reduction in size of a previous tap, to be made by the City, a charge shall be made on the basis of the actual cost to the City, including the full cost of the meter and all materials. The Charge shall be payable in an amount estimated by the department before the permit required herein is issued, with final settlement to be made before the water is turned into service of the customer. In addition, there shall be a permit fee in the amount of Ten (\$10.00) Dollars and an inspection fee in the amount of Fifteen (\$15.00) Dollars, which sums shall be paid at the time application is made for any tap or any enlargement or reduction in size of a previous tap. The Owner of any property may arrange to have any tap or any enlargement or reduction in size of a previous tap made by a qualified contractor. The contractor employed by the owner for such work must be a licensed underground sewer and water contractor and at the time the contractor applies for the permit, he shall submit to the department evidence of such license and in addition evidence of having workmen's compensation insurance covering his employees and public liability and property damage insurance in an amount not less than \$100,000 for any person, \$300,000 for any one occurrence and \$50,000 property damage, with such insurance being endorsed so that the City of Belleville is protected from any and all claims. The Contractor shall purchase from the City the meter, corporation cock, curb cock and box. In addition, the contractor shall pay a Ten (\$10.00) Dollar permit fee and a Fifteen (\$15.00) Dollar inspection fee. Payment of all sums due the City must be paid prior to the time the permit is issued.

Section 8.4 Tap Charge. For any sewer tap or any enlargement or reduction in size of a previous tap, to be made by the City, a charge shall be made on the basis of the actual cost to the City, including the full cost of the meter and all materials. The Charge shall be payable in an amount estimated by the Department before the permit required herein is issued, with final settlement to be made before use is permitted by the customer. In addition, there shall be a permit fee in the amount of Ten (\$10.00) Dollars and an Inspection Fee in the amount of Fifteen (\$15.00) Dollars, which sums shall be paid at the time application is made for any sewer tap or any enlargement or reduction in size of a previous tap.

The owner of any property may arrange to have any sewer tap or any enlargement or reduction in size of a previous tap made by a qualified contractor. The Contractor employed by the owner for such work must be a licensed underground sewer and water contractor and at the time the contractor applies for the permit, he shall submit to the department evidence of such license and in addition evidence of having workmen's compensation insurance covering his employees and public liability and property damage insurance in an amount not less than \$100,000 for any person, \$300,000 for any one occurrence and \$50,000 property damage, with such insurance being endorsed so that the City of Belleville is protected from any and all claims. The contractor shall pay to the City a Ten (\$10.00) Dollar permit fee and a Fifteen (\$15.00) Dollar inspection fee. Payment of all sums due the City must be paid prior to the time the permit is issued.

Section 2. REPEAL — All ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent necessary to give this ordinance full force and effect.

Section 3. This Ordinance shall become effective on the 30th day of June, 1971.

AYES: PALMER, HAMLIN, BOONE, AMERMAN, SMITH NAYS: NONE

Motion by Hamlin, seconded by Amerman, that the meeting be adjourned. Carried unanimously.

Swimming lessons to cost

The Van Buren Public School District will again make available the high school swimming pool for community use.

However, due to the recent millage defeat the swimming program must become self-supporting.

Registration for swimming lessons will be on Monday, July 12 from noon until 4 p.m. at the Belleville High School Pool.

The swimming classes to be taught are as follows.

Beginners, advanced beginners, swimmers and junior and senior life saving.

The program will run for a six-week period with classes being held every Monday, Wednesday and Thursday.

The cost per student will be \$10 for the six-week period. Family swimming will be held on the same days in the evening from 7 to 9 p.m.

For further information call Gary Gray, swim coach at the high school at 697-0315.

Officials announce raffle winners

The raffle winners of the Fourth Annual Carp Shoot sponsored by the Huron Valley Conservation Association have been announced by contest officials.

The bow and arrow shoot was under the direction of co-chairmanship of Ted Hoinka and Ed O'Brien and was held on the club's grounds, located at Huron River Dr., just east of Rawsonville Rd., June 13.

The contestants were

judged by members of the association. The winners of the raffle which was an additional feature of the event were:

Ron Belitz, 7540 Lamphere, Detroit, won first prize, a 16 foot fiberglass canoe.

E. Casewell, 10810 Plymouth Rd., won second prize of a hunting bow and arrows.

The third prize, a .22 caliber rifle, was won by Michael Rankin, 530 Hurd St., Milan.

School service squad, safety patrol honored

The orange belt and the green arm patch tells the Romulus Elementary students that there are older boys and girls in their school to serve them.

Awards Day for these boys and girls who had served their school all year was held on June 17.

Mrs. Margaret Bird, school principal, points out that through service to the younger children these fifth and sixth grade students develop leadership and a sense of responsibility.

Mrs. Allean Grant is the Girls' Service Squad director. Jordan Washington is the boys' safety patrol supervisor.

Dundee show set

It's over the river and into the woods for the ninth annual art show of the Dundee Arts and Crafts Club July 10 and 11.

The show will be held for not one but two days on the south bank of the River Raisin in Dundee after being held all its previous years on the north bank. Hours each day will be 10 a.m. to 6 p.m.

The site will be a combination woody and grassy seven acres recently deeded to the Village of Dundee by a manufacturing corporation. An historic old mill on the property is being readied for an indoor display of art as well.

Rain dates are July 17 and 18.

The show will be judged and ribbons will be awarded in many categories to the works judged best. Categories will include both art and crafts exhibits. Many of the works will be for sale.

Refreshments will be available on the grounds and there will be entertainment both days. Some of the artists for a fee will do sketches from life for the visitors.

Dundee is at the junction of US-23 Expressway and State Route M-50.

THE BIG SWEEP-UP DRIVE — Baseball players affiliated with the Romulus Youth Baseball Association, city and Romulus Chamber of Commerce officials united their efforts last Tuesday in the start of a general fix-up and clean-up campaign in Romulus. The Central Business District Committee of the chamber began its announced program for upgrading and developing the

downtown district by sweeping up Goddard Road, which runs through the business district. The clean-up project started at S. Wayne and Goddard Rd. and ended more than a mile away at Five Points. Among the officials armed with brooms are (from left) Leo Kalota, committee chairman; and Doug Baum (third from left) president of the RYBA.

DOING THEIR SHARE — Two young Little Leaguers, members of the Romulus Youth Baseball Association, are doing their share in cleaning up the downtown area of the City of Romulus. The Central Business District Committee of the Romulus Chamber of

Commerce initiated a general fix-up and clean-up program in the city last week as part of a plan for upgrading the business district. The two youngsters are (from left) Greg Johnson, 8, of 5942 Airborne; and John VonLinsowe, 8, of 5946 Airborne, Romulus.

Clean sweep brightens up Romulus

ROMULUS TRASH HUNT — The vacant areas and fields leading into Romulus Business District were included in general fix-up and clean-up campaign of the Central Business District Committee of the Romulus Chamber of Commerce. The clean-up drive is part of the committee's program for

upgrading the business district. Romulus Little Leaguers of the Romulus Youth Baseball Association and others looking for trash in one of the open areas leading into downtown Romulus.

The Central Business District Committee of the Romulus Chamber of Commerce considers its sweep-up project involving Goddard Rd. a successful undertaking.

The clean-up of Goddard Rd. from S. Wayne Rd. to Five Points, located at the west end of the downtown district, was the committee's opening program for the upgrading and developing of Romulus' downtown district.

A general fix-up and clean-up program for the business district was initiated by the committee and is being fully supported by the business and professional leaders of the community.

The sweep-up of Goddard Rd. is the first in the history of the community.

The road runs through the downtown area of the city. The fix-up and build-up of Goddard Rd. is one of major goals of the chamber.

Last Tuesday, officials from both the city administration and the chamber gathered at the site of the city's new Municipal Complex, S. Wayne and Goddard Rds. to begin the big sweep-up project.

They were met by Romulus Little Leaguers who played for various teams sponsored by the Romulus Youth Baseball Association (RYBA.)

City officials including Mayor Hyle J. Carmichael, administrative aides, RYBA leaders and committee officials including Lee Kalota, committee chairman, armed themselves with brooms and began the sweep-up project at 9 a.m.

The initial phase and when they arrived at the Chesapeake and Ohio Railroad crossing on Goddard Rd. (a short distance from the present city hall) City officials took over the project and swept Goddard Rd. to Sterling St. and Goddard Rd. site of the old city hall.

The Little Leaguers completed the project from there to Five Points.

STREET CLEAN-UP PARTICIPANTS — Romulus City officials being transported to S. Wayne and Goddard Rds., the starting point Romulus' clean-up campaign for the downtown business district. The city leaders are (left rear) Charles W. Hazen, industrial

coordinator, Mayor Hyle J. Carmichael, City Clerk Leonard J. Folmar and City Treasurer Albert Glinski. The Central Business District Committee of the Romulus Chamber sponsored the clean-up campaign.

Senior Citizens meet tomorrow at St. Anthony

The Belleville Senior Citizens meeting this week will be held at 6:30 p.m. tomorrow (Thursday) at the St. Anthony School.

Mrs. Viola McNally will be in charge of arrangements.

Birthday and anniversary celebrants for the month of July are:

Birthdays: Ellen Gould, Mary Bandura, Mildred

Smith, Russel Van Buler, Elma Membering, Vilet Horst, Orville Dolph, Dorothy Wisieski, Anna Gales, Catherine Krebs, Lloyd Freeman, Ruth Lockrow, Merrill Bird.

Anniversaries: Mike and Doris Sirdanik, Timothy and Ada Posthumus, Arthur and Grace Burnell.

Trips planned for the

summer include a trip to Bob-Lo Friday, on July 9 with departure from the United Methodist Church at 9 a.m., Tiger ball game on Saturday July 24, and visit to the Detroit Police Circus at the Olympia Stadium, Detroit, on Thursday, Aug. 12.

Mrs. Jetta Melville is the manager and guide for the summer trips.

MISSION ACCOMPLISHED — Romulus Little Leaguers playing on teams sponsored by the Romulus Youth Baseball Association united with community business leaders and city officials in a sweep-up campaign that involved Goddard Rd. from S. Wayne Rd. to Five Points. The Central Business District Committee opened its program for the development of the downtown business

district by the clean-up project. Doug Baum, president of the RYBA (right) is thanking the young ball players at Five Points as they depart for home. Note the city's DPW truck, it was one of many loads of debris found along the sweep-up route.

If self-defense wins championships then Anchor Block Co. appears to have the edge to repeat for the third consecutive year as kings of the Romulus softball loop.

The first half statistics reveal that Anchor held its 11 opponents to 35 runs or a 3.18 per game average, while scoring 120 times themselves.

League-leader Morgan Manor was the second

strongest. It was scored upon 57 times for a 5.18 per game average, while crossing home plate 133 times on their own.

Spearman's Fine Foods was the league's most productive club in the first half with 140 runs and must be considered a serious threat for the title, just one game off the pace.

Morgan Manor finished the first half still on top, breezing past Guardian Coating 38 to 1 and squeaking by Baum Funeral Home 6 to 5. Baum broke in front with three runs when Roy Hartford walked, Rich Marken reached first on a fielder's choice and Dave Hoffman doubled and scored when Ted Marken reached on an error.

Morgan scored twice in the

last of the first when Muck doubled, Brothers was safe on an error and Jones and Luczak singled. Baum added another run in the second when Jim Hartford, Mike Pratt and Don Marken singled.

Baum scored its fifth run in the third when Ted Marken reached base on an error and scored on Joe Laduke's single. Morgan scored two unearned runs in the bottom of the third when Muck singled, Brothers doubled, and both runs scored on two errors at home plate.

Morgan tied the game in the fifth on Brothers double and Jones single. Morgan won the game in the seventh when Kidd doubled Cszasz reached 2nd when his fly fell in for a double, Kusabab was given an

intentional walk and Muck hit a game winning sacrifice fly.

Anchor Block remained close, getting past Romulus progressive 7 to 2 and Walters Bar 3 to 0. Ralph Rakotz held Progressive to five hits in picking up the win and Bob Maronen was touched for 12 hits in absorbing the loss.

John Sterling, Walt Brewno and Bill Reiber singled in the first inning to give Progressive a 1 to 0 lead that lasted until the second.

In the second Bob Lederle, Dave Rakotz, Tom Block and Les Pennington singled and Ed Loboto hit a sacrifice fly and Anchor took a 3 to 1 lead.

Anchor scored another in the fourth when Don Skiff singled advanced on an error

and a fielder's choice and came home on Jr. Rakotz's sacrifice fly.

Progressive scored in the fifth when Mike Sprau doubled moved to third on Ron Dick's single and came home on John Greca's sacrifice fly. Anchor got the run back in the last of the fifth when Ralph Rakotz and Don Skiff singled a n d Rich Rakotz doubled. Anch- or scored the last two runs in the sixth. Dave Rakotz singled, Tom Block was safe on an er- ror, Les Pennington singled in one run and Skiff singled in the final tally.

Dave Rakotz turned in the defensive gem of the day making a fine over the shoulder catch in deep right center off Fred Eberline's bat.

Anchor's shutout win over Walter's was its fourth shutout of the season. Chuck Hazen held Walters in four hits in gaining the win. Anchor's Jack Slater led a 11-hit attack with 3-for-3. Three sacrifice flies off the bats of Rick Paglia, Tom Block and Ed Lobato accounted for all three of the games scores.

Spearman's Fine Food closed the first half with a 9 to 3 win over Alden Electric and a 30 to 4 rout of Five Points Bar to remain one game behind pace setting Morgan and a half game behind Anchor Block.

Baum Funeral Home breezed past Walters Bar 17 to 3 collecting 25 hits in the game. Baum scored five times

in the first when Roy Hartford singled, Rich Marken doubled, Dave Pichan homered, Dave Hoffman and Alex McCraight singled and Ivan Kinshella doubled.

Don Marken homered in the second and brother Ted Marken homered in the third for Baum. Walter's scored three in the fourth when Kingsbury and William singled, Stahl reached on an error, Trice drew a walk and George Coughlin singled.

Dave Hoffman had four hits in five trips and Kinshella and Bob Remelius were 3-for-4 for Baum. Kinshella allowed four hits in the winning effort, while loser Marshal gave up six runs and eight hits with relief man Zib being tagged for 11 runs on 17 hits.

13-year-old diver faces big test

By TOM MOORADIAN
Sports Editor

There's one youngster whom Belleville High swim coach Sam Vicchy is eager to get his hands on.

And so would a lot of other area swim coaches.

He's Ray Liebeler, a 13-year-old pupil at South Junior High School in Belleville. Ray has already caught the eye of Dick Kimball, University of Michigan diving coach.

Yes Liebeler is a diver. And he's one of the best. Because he has the talent, Ray has been informed by Coach Kimball, Chairman of the Michigan AAU Association at the Region VI Junior Olympic Diving Meet to be held at Louisville, Kentucky on July 16-17."

That excerpt above was snatched from a letter to Mr. and Mrs. Liebeler from Kimball.

And the Liebelers have decided to go with their son to Kentucky to watch him compete at the Plantation Country Club.

The young diver is one of two selected from the state to compete in the regional. A victory in Louisville will vault him to the national finals.

"I can't wait to get him on varsity," said Vicchy, who has helped train the young athlete. "He's done a great job and we're all proud of him."

Liebeler's selection for the prestigious diving meet was not a spur of the moment thing, as you probably have guessed. He has ample credentials to qualify him as one of the best prospects around.

Ray, in the short span of 1½ years, has won the Riverview, Erie-Mason, AAU Warren Woods, and Grand Rapids Invitational meets. Because of his efforts, he became the first diver on his team to ever claim the Most Valuable Swimmer award.

He trains with the Tiger Swim Club and also helping to develop the youngsters are Bub Susterka and the boy's father.

He is a product of Tiger Swim Club

The name Susterka, of course, has appeared in these parts for quite some time. Bud, a former swim and dive star on his own, also has two sons - Barry and Brad competing for the Belleville High varsity squad. Both sons have been named to the All-Area swim teams.

Barry, a diver, will graduate next year, but Coach Vicchy isn't too concerned about about reinforcements-with Ray standing by.

"I think that Ray's selection is a great honor," said Vicchy. "When you figure how many young divers there are in the state and Ray was given the nod over them, then you realize how important this is."

And let's not forget the Tiger Swim Club, too, Sam. The club is producing some outstanding young swimmers, and it only goes to show when you have concerned parents, community support, and devoted coaches you can accomplish wonders.

WORLD CHAMP AT 4? - Ypsilanti's Ozzie Mims has taken up karate at the age of four and already has earned a green belt in that sport. He also could be the top karate "expert" in the field for his age group. Do you know any other four-year-old youngster who will challenge Ozzie for the "world title?"

4-year-old earns green belt in karate

Do you remember that cute little lassie who was shown breaking a thick chunk of wood with her bare hands and the caption read: Indiana seven-year-old girl is youngest karate student of the "art"?

The story appeared in several metro papers recently.

Well, Ed Selle, a Black-Belter who makes his living teaching Korean Tae Kwon Do wants it to be known that he has a student of Karate who will soon compete in a tournament - and that student is FOUR YEARS OLD! "In my 14 years of training, I have not seen nor heard of anyone near that age who is seriously practicing and attending formal Karate Instruction," says Selle.

The name of this little phenomenon is Ozzie Mims,

who is the son of Dan Mims, a Ford Motor Company employee. The Mims reside in Ypsilanti Township.

Selle, who can pick up little Ozzie with one hand, Ozzie weighs in at 30 pounds), related that he normally wouldn't accept students as young as Ozzie, "but the little 'man' has indeed proven to me he knows what it's all about.

"He has terrific coordination and comprehension for a four-year-old, so I decided to accept him."

Can Ozzie break brick and wood, you know, like they show in the photos and movies?

Selle smiled when he was asked the question. Then replied: "He can't break any

bricks as yet, but he can break a one inch board, and if you have ever tried that, you know it isn't easy.

This boy has the strength of an eight year old right now. Heck I can't even find a uniform that will fit him."

Ozzie got interested in karate through his brother Oliver who is enrolled in Selle's classes in Ypsilanti. Oliver is presently competing in the Pee Wee division.

And what division is Ozzie in?

"When Ozzie came along, I was stumped," admits Selle. "I immediately had to originate a 'mini-peewee' division, which I think is the only one at least in the State of Michigan."

"Ozzie can handle himself beautifully," said Selle. "I've never seen so much enthusiasm as this little boy displays."

The parents of these young boys are also very pleased at what the training has given their sons. Mr. Mims says, "that the training has given both his sons confidence that perhaps would normally take five or six more years if they hadn't enrolled in the course."

Oliver and Ozzie also recently tested for their Green Belts and will soon be wearing them.

And the Mims should soon be in the market for a trophy display case.

Ozzie is slated to compete in his first karate tournament, scheduled for Willow Run High School.

It's a cinch he'll win - where else in the state or the nation or the whole wide world do you know of a four-year-old karate student who has already won his Green Belt?

To be eligible for lessons, a boy or girl must have passed his ninth birthday and must not have reached his 15th birthday by June 23.

The clinics, slated to begin at 8:30 a.m. will be conducted by Frank Jawor, Warren Valley's golf professional, and Tom Amundson, associate professional.

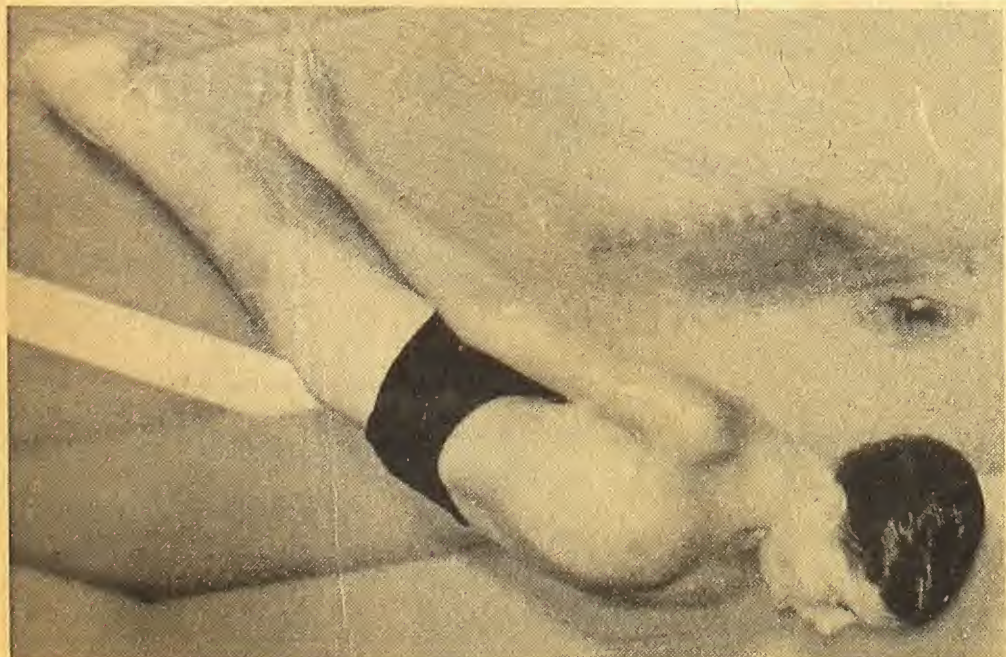

Application forms may be obtained at the Warren Valley pro shop. A waiver of responsibility must be signed by the parent or guardian of each child.

Participants who attend at least three of the class sessions will be allowed to play nine holes a week for 75 cents, according to a schedule established by course management.

They will receive membership cards in a junior club that will be formed.

The Road Commission operates Warren Valley Golf course as part of the County's Park system.

informed last week by Dick Kimball, University of Michigan diving coach, that he was chosen from the state's youngsters to compete at the prestigious meet.

BIG SPLASH - Belleville's 13-year-old Ray Liebeler is brushing up on his dives in anticipation of representing the state's AAU divers at the regional VI Diving Invitational to be held at Louisville, Kentucky. Ray was

Unleashing a formidable offensive, the Giants last week locked up the Belleville National Little League baseball championship by licking the Braves 9-1.

Robbie Laney turned in a two-hit pitching performance to claim the victory for the Giants who have played superb baseball throughout most of the 1971 campaign.

Laney received excellent defensive support from David

Lundell and Mark Staeltor who came up with some spectacular catches. Danny Peterson chipped in a homer which was his second of the season for the Braves.

Earlier, the Giants trimmed the Cubs 10-3 as Lance McArthur worked the hill all the way and aided his own cause with a two-run clout, giving him a total of six homers for the season.

It was the Giants' 10 successive victory of the campaign.

There was plenty of action elsewhere in the league as the teams prepared for the stretch drive which would be culminated with the district and state playoffs.

The Dodgers out-lasted a pesky Cardinal squad to take a 16-14 slugfest from their rivals.

The game saw an overabundance of walks and a porous defense on both sides of the field.

The decisive blow that eventually decided the issue was a grand slam home run by Ben Collins who gave the Dodgers the four runs that turned the tide. George Sheffler also came on strong in a role of relief pitcher as he turned off the Cardinals hitting power in the final two innings, squelching a sixth inning Card rally.

Officials from Belleville's Little League, American and National divisions went to Jackson, Mich. last week for the draw of the all-star tournament contests.

The American League representatives will meet Morenci, Mich., at Morenci on July 20.

The National League representatives drew a bye in the first round and will meet the winner of the July 20 contest at the Belleville field on July 23.

The Belleville field is located on Huron River Dr., just west of Belleville High School.

Club sets Tiger trip

St. Anthony's Merfs Club of St. Anthony's Church, Belleville, is sponsoring a trip to a Tiger Baseball game on July 6.

The cost of the trip is \$6 which includes transportation, refreshments and game ticket.

Anyone interested in going may call 697-8407 or 697-3152 and give your name and the number of people going.

The Braves managed to overcome a shaky start and regained their poise to claim a 15-8 decision from the Astros who led most of the way before surrendering to their rivals.

The Braves managed to stay in front for three innings, 9-8, and then called upon first baseman Larry Pingleton to handle the pitching chores. He came through and shut off the Astros to rest of the way.

The Braves can thank Paul Peterson for his contribution at the plate. He cracked a couple of run-scoring singles and a double to help in the RBI

Belleville gets split

Belleville's Connie Mack entry in the Ann Arbor division had an even split last, losing one contest, then returning home to take a victory.

On June 19, Vern Gowen got the starting assignment for Belleville, but his mates could come up with only one hit and Belleville fell victim to Stein and Goetz by a score of 5-2. Gowen was the losing pitcher and Mike Danes picked up the win. John Baker smacked a home run for the winners and Dan Smith spoiled Danes' bid for a no hitter when he singled to right in the fifth for Belleville's only hit.

Babe Ruth highlights

On Friday, June 25, an intra-league all star game will be held at Belleville High School featuring the standout players from the Belleville area Babe Ruth organization. The game is set to get underway at 5:30 p.m. and the public is invited to attend.

Branding Irons meet; preparing for parades

The Branding Irons 4-H club reports that attendance was down at regular June business meeting due to the long holiday week-end but some important matters were brought to the attention of club members.

Members are to be reminded that time is getting short before their float must be ready for local homecomings and the Wayne County Fair parades. Theme

this year is Silver (25th) Anniversary.

Mark Hensley and Tim York will be the representatives at Youth Exploration Days at MSU from June 29-July 1.

Good wishes to Gordon Bordt who has been in the hospital but who is home now. The club wishes much success to its recent graduates. Steven Hillmer, Dwight Hamilton, James

Simpson and Joel Newton have completed their elementary education at St. John's Lutheran School.

Dwight, Jim and Joel will be attending Huron High and Steve is enrolled at Belleville High School. Jim Simpson earned the honor of being Salutatorian of the class.

Joan Otter was the only graduate from high school. Completing studies at Huron High, she will enter MSU in September. She was presented with the "I Dare You" award, trophy for Journalism and also a Trustees Scholarship, Educational Opportunity Grant, Work-Study job and Student Aid Grant from Michigan State University. She was also elected to the Society of Outstanding American High School Students.

July 6 is the next meeting, at the Waltz Fire Hall.

Consumers can contact council

Whether it is a warranty on a television set, or defective equipment on a new car that is causing the consumer headaches, he would be wise to seek assistance from the Michigan Consumers Council.

That's the advice offered by State Senator William Faust (D-13th District).

"Although the council does not have enforcement authority, it tries to mediate the complaints which are received to the satisfaction of all parties involved," Faust stated.

In the first three months of this year, the council handled

Kelley cites fireworks law

With the Fourth of July just around the corner, it is well for everyone to remember that the possession, sale, storage and use of fireworks, as that term is generally understood, is illegal and prohibited by statute in Michigan, excepting only under certain limited conditions as provided by PA 1968 No 358.

Michigan Attorney General Frank J. Kelley, in explaining the law, reported the statute provides specifically that, without a permit, no person, firm, corporation or copartnership, shall offer for sale, expose for sale, sell at retail, keep with intent to sell at retail, possess, give, furnish export, use, explode or cause to explode, any blank cartridge, blank cartridge pistol, toy cannon, toy cane, or toy gun in which explosives are used, balloons propelled by fire underneath, firecrackers, torpedoes, skyrockets, roman candles, daygo bombs, or other similar fireworks.

Included, also are any fireworks containing an explosive or inflammable compound or any device or tablet commonly used and sold as fireworks and containing nitrates, chlorates, oxalates, or other modern explosives.

No permit is required, however, for caps containing less than .25 of a grain of explosives per cap, in packages so labeled, toy pistols, toy cannons, toy canes and toy guns of a type approved by the director of

the department of state police, in which said caps are used and which are so constructed that the hand cannot come in contact with the cap when in place for explosion and which are not designed to break apart or be separated so as to form a missile by the explosion.

Nor is a permit required for sparklers containing not more than .0125 pounds of burning portion per sparkler, flitter sparklers in paper tubes not exceeding 1/8 inch in diameter, toy snakes not containing mercury but only if packed in boxes of no more than 12 pieces each for retail sale with the manufacturers name and quantity in each box printed thereon.

No permit is required for possession, sale or use of signal flares approved by the director of the department of

state police, or blank cartridges pistols, specifically for a show or theater or for the training of dogs, for signal purposes in athletic events or for use by military organizations, and all such

items used by railroads, trucks or vehicles for emergency signal purposes.

The council or commission of any city or village, or a township board of any township may, upon written

application, on forms provided by the director of the state police, grant a permit to use fireworks, in their jurisdiction, for display by organizations or groups of individuals.

Moose notes

By George W. Steger

The Belleville Lodge No. 934 of the Loyal Order of Moose had a class of eighteen enrolled at Cobo Hall on Sunday (June 13) in honor of State Director Harold Kretsinger at the National Convention.

Belleville candidates were part of 1,100 enrolled.

The new members are: Gerald Solo, Fred Statezni, David Cebula, Richard Frye, Carl Scott, Burford Frederick, Joseph Tonksley, Billy Carrigan, Kenneth Carothers, Jess Spangler, Jean Noel, Leon Noel, Ronald Nelson, Bruce Merritt, Jerry Scott, Chester Willis, Walter Kasciow and Arthur Francis.

Candidates, wives and some members were taken to Cobo Hall and returned to the lodge by charter bus. The wives were entertained at Cobo Hall during enrollment, afterwards they joined the men for a very entertaining floor show and on returning to the lodge were served a luncheon and were entertained with music.

Governor Charles Morton and Secretary George Steger attended National Convention in Detroit. Congratulations to Governor Morton's wife, Martha, on receiving her Cap and Gown on June 12 at Mooseheart.

Our deepest sympathy to the family of Brother Roy Groves who passed away. He will be greatly missed by all of who knew and loved him.

Congratulations to Brother Bruce Dornen and wife, Jeanette, on the new baby boy.

The next Enrollment will be held on July 17 at the Moose Home at 8 p.m. Watch this paper for further details.

Secretary Steger attended a Michigan Bell luncheon last Wednesday held at the Hilton Inn.

Cycle trip celebrates 59th birthday

Albert Harris, Belleville contractor, celebrated his 59th birthday by taking a 2,500 mile venture through several Canadian provinces on a motorcycle.

The trip ended 350 miles north of Quebec where Harris took a ferry from the northside to the southside of the Bay of St. Lawrence.

He continued his journey back to Quebec, Montreal, The Thousand Islands and finally homeward.

His trip was made on a 900 pound Harley Davidson motorcycle.

Harris resides at 10151 Belleville Rd., Belleville.

Pack 739 holds first summer event

Cub Scout Pack 739 sponsored by the Merriman Elementary School, reported its first summer activity.

It was a night of roller skating at the Mayflower Roller Rink, located on Eureka Road, Romulus. The public was invited to attend the affair held Wednesday, June 23.

The pack's next project will be a baseball game at Tiger Stadium. Den mothers will be notifying the Cub Scouts as to the date and meeting place for going to Tiger Stadium.

Association; and Patrick J. Callihan, Lansing, newly elected First Vice President of the Association. The election of officers took place recently at the Association's 23rd annual convention held at Shanty Creek Lodge, Bellaire, Mich.

Governor is speaker at WCCC graduation

Michigan Governor William Milliken was the speaker at the commencement exercises for the June, 1971 graduating class at Wayne County Community College.

About 150 students received degrees and certificates, including the first group of graduates to have taken all their college work at WCCC. Previous graduates all had come to the college with advance standing from other schools.

The commencement exercise was held at 2 p.m., last Saturday in the main

auditorium of Rackham Hall, at Woodward and Farnsworth, Detroit.

Master of Ceremonies for the occasion was Jerome P. Cavanagh, former mayor of Detroit and now chairman of the WCCC Citizens Advisory Committee.

Murray Jackson, president of the college, presented awards for outstanding service to the college to Dr. Norman Drachler, superintendent, Detroit Public Schools; Dr. William R. Keast, president, Wayne State

University; Honorable G. Mennen Williams, Justice, Michigan State Supreme Court; Lynn Townsend, chairman, Chrysler Corporation; William Patrick, past president, New Detroit, Inc.

The invocation was offered by Dr. Charles Morton, pastor of Metropolitan Baptist Church in Detroit and a member of the State Board of Education. The benediction was offered by Father Daniel Bogus, pastor of transfiguration Church, Hamtramck.

A brief reception in honor of the graduates was held in the foyer of Rackham Hall immediately following the commencement exercises.

Service station law is changed

The Belleville City Council has approved an amendment to the city's Zoning Ordinance relative to the construction of new automobile service stations.

The amendment provides rules and regulation and requires the consent of surrounding property owners before the construction of new gasoline stations etc.

Under the zoning ordinance changes, applications for building permits for the construction of service stations must have the consent of 75 percent of property owners of all the property within a radius of 400 feet of the proposed construction.

The new amendment does not apply to modernization or reconstruction of existing gasoline stations.

The ordinance also requires the construction of an

obscuring wall or fence of not less than 4 feet six inches and not more than five feet high on sides abutting or adjacent to residential property.

There are at present seven auto service stations in the City of Belleville, a community of 1.59 square miles.

Student honored

Among the 93 students who have been honored on the Annual Dean's List of Michigan Tech University for ranking in the top two percent of their college or college class was a Belleville student.

She is Miss Beverly A. Leppiaho, a freshmen engineering major, College of Engineering. She is the daughter of Mr. and Mrs. Eino Leppiaho of 47216 Ayres.

Workers sought for overtime due

For 49 unaware Michigan workers, there is a rainbow that ends at the U.S. Labor Department office in downtown Cleveland.

Some \$4,450 in cash is being held there by the U.S. Wage-hour Office, area director Robert F. Pietrykowski has announced. It's in minimum wages and overtime pay found owing to these workers, and collected from employers as a result of investigations of firms in Michigan and other

states. And it's still there because the Wage-Hour Division does not know how to locate these workers.

Average amounts of \$90 each are due the individuals, and those able to identify themselves can claim forgotten funds ranging from a few dollars to the top for one individual of \$618.63.

Among the unaware workers with reported last known address in the local areas are: Virginia Letson,

14096 Elwell Rd.; Eugene McCarter, 6556 Washington St., Wayne; and Stanley Dapkus, 33083 Cheifland, Garden City.

These workers listed should write to:

Robert F. Pietrykowski, Area Director, USDOL, Wage-Hour Division, 87 Federal Building, Cleveland, Ohio 44199.

Each person claiming the back wages must identify himself (or herself) fully by naming last known employers, and furnishing

their social security number and current address.

Parking rates hiked at Metro

DETROIT AP — The Wayne County Road Commission said today it had increased parking rates at Detroit Metro politan Airport an average of 43 per cent to bring them into line with other airport parking prices across the country.

The increase effective June 1 are expected to bring in an additional \$1.25 million a year in revenues.

Commission spokesmen said the old rates were put into effect in 1966 when the airport's parking deck was opened. It claimed that since then, maintenance and operation costs at the airport have nearly doubled.

Short term lot rates jumped from 25 to 35 cents for each half hour with the daily max-

imum rental charge being \$5.

Rates for the remote parking facility remain the same with a 25 cent fee for two hours. Parking for over two hours will now cost 50 cents for each three hour period as against the former rate of 10 cents an hour for anytime over two hours.

European tour includes news of grandson

Belleville's Recent contribution to the People to People Goodwill Mission, the Thurston Jahrs, are back at their home on Harmony Lane after an absence of three weeks. Thurston was selected by the American Concrete Institute to represent the U.S.A. on the trip being the only architect in a group of 33 engineers and professors of engineering.

The men were taken on various tours of buildings and construction projects in Oslo, Norway; Helsinki, Finland; Zurich and Lucerne, Switzerland; and Leningrad and Moscow, Russia — viewing in the latter city the 20-year plan for re-building Moscow currently in effect.

While their husbands were involved with technicalities involving their professions, the distaff side was taken on guided tours in each locality—shopping and sight-seeing enroute.

In Helsinki the Jahrs had the pleasure of dining with a local engineer and his teacher wife, who, sharing an affinity with ex-journalism instructor Marge, took her on a tour of her school.

One of the highlights in Russia was seeing the Bolshoi Ballet which is housed in the new Congress Building in the Kremlin.

But probably the brightest point in the whole trip came in Zurich with the trans-Atlantic telephone call from Westland announcing the arrival of their first grandson, Jeffrey Steven Jahr, Jr. The message came from the proud daddy, Jeff, whose wife, Pat, had been at Mount Carmel Hospital for the June 5 delivery.

Dispensing with the cigar routine, Granddad Thurston ordered champagne for all 33 at dinner that evening. Keeping the news 'til then, he stood up and said he wished to propose a toast to the future president of the United States — his grandson, Jeffrey Jahr!

Checking a bit further on the Jahr clan, we learned that son Jonathon (a buyer of men's wear at Muirhead's in Dearborn) had been out to the West Coast for a 10-day respite. With San Francisco and San Diego on his itinerary, he also paid a visit to former Bellevillites, the John Andrews at Atherton. Jim Andrews is expected for a visit here in July.

Midas entertain in honor of son

The Robson road home of the Herbert Midas was the scene Sunday, June 20, of a three o'clock party honoring their son, Bill. Friends and relatives, about 100 in all, congratulated the honored guest on his graduation from Belleville High and enjoyed a buffet set-up throughout the day.

Assisting the hostess were her nieces, Diane Wade, her sisters-in-law, and Karen Skszek.

Until Bill starts classes at Eastern Michigan this fall, he'll be employed at Lower Huron Metro Park.

Lisa Archer chosen to attend Interlochen

Lisa Archer, who has been a piano student for nine of her 16 years, received a thrilling message recently—word that she had been selected to participate at Interlochen National Music Camp this summer.

The daughter of the Robert Archers of Harmony Lane, Lisa began her piano studies with a local teacher, Mrs. Bea Raymond, and after five years transferred to Eastern Michigan University where for the past four years, she has been under the tutelage of Professor Herschel Pyle.

In March Lisa took part in a Bach Contest at Pease Auditorium, EMU, where all contestants performed the same music. Entered in the high school category, she earned a first-place award and repeated the honor as she played in divisional competition. Then, too, there was a second place honor for her part in the state competition for band and orchestra.

Lisa will leave Belleville July 11 and will return home in two weeks for a month's breather before she begins her junior classes at Belleville High.

Open House at Miller home

DR. AND MRS. G.G. Miller invited guests to their Stanley Drive home Sunday for an open house honoring their daughter, Pam, another of Belleville's class of '71. Some thirty close friends from Ypsilanti, Romulus and Belleville called from five to seven and were served a buffet lunch at lawn tables covered with pale green cloths.

Pam, who has enrolled at Michigan State, will be in East Lansing this week for freshman orientation.

Belated congratulations showered on Sandi

Sandi Bruder Brown was among the class of 94 persons to graduate recently with the Adult Education group from Ypsilanti High School. Cracking the books regularly earned her the diploma she missed receiving when she married before completing high school. The proudest people in the audience were her hubby, George, and their four children, Judy, George, Robbie, and David.

On Sunday, June 6, Sandi's parents the Albert Straubs, played host at a reception in her honor at their home on Elwell Road. Some 60 guests were on hand for the occasion among them Mary Lou Fenn of Willis who assisted the hostess and also baked and decorated the special open-book cake.

At Franklin Church

Tom Pitcher married to Birmingham girl

A pretty little afternoon wedding took place June 27 at Franklin Community Church as Thomas Michael Pitcher of Belleville and Mary Louise Williamson of Birmingham Farms exchanged nuptial vows.

The Rev. Frank B. Cowick presided at the ceremony which united the daughter of Mrs. Rudolph Laskowsky of Birmingham Farms and the late Dr. James Dorsey Williamson and the son of Mr. and Mrs. Wylie Pitcher of Belleville.

Music for the wedding was by the Eastern Michigan University Madrigal Singers who performed "O, O'Chi Manza Mia" by Orlando Di Lasso and "O Perfect Love"

by Dorothy B. Gurney. For the processional and recessional the bride selected Purcell's "Trumpet Voluntary" and "Trumpet Tune" for trumpet and organ duet.

MARY LOUISE presented a charming picture in her gown of cameo ivory silk organza designed with a molded bodice of embroidered organza. Scalloped ruffles accented the high neck and edged the cuffs of the long bishop sleeves. From the obi-sashed waist centered with a wide flat bow in front and long streamers at the back, the full bias skirt swirled to toe-touching length. Back interest was created with the use of a full circular train which swept to chapel length.

A multi-looped headdress set with silken flowers held the bride's tiered veil of silk illusion and she carried white roses and Stephanotis arranged on a white Bible which her mother had carried on her wedding day.

As her sister's maid of honor, Anne Williamson donned an heirloom-of-print frock patterned like wallpaper and frosted with smocking detail as did the other attendants, Janet Marie Pitcher, sister of the bridegroom; Mary Elana Jelasic and Paulette Marie Keim. The small baskets of flowers they carried harmonized with the soft fielding of flowers in their dresses.

THE BRIDEGROOM chose his brother, Richard, to serve as best man. Others on the esquire side were James Williamson, brother of the bride; William Lacey and Forrest Lewis.

At the reception, which followed in the church parlours, Mrs. Laskowsky and Mrs. Pitcher received in solid pastel dresses which carried out the color scheme of the wedding.

Out-of-town guests included Mrs. Bert Cecil Yerger and the Junior Arthur Stanley Pikes of Texas; Mrs. Louis J.

Dixon and Mrs. Fae Yerger from Chicago; and Warren Bradbury, Jr. of New York City and Greenwich, Connecticut.

Following a honeymoon on Padre Island in the Gulf of Mexico, the newlyweds will make their home at 2109 Medford, Apt. 31, Ann Arbor.

The new Mrs. Pitcher graduated from Bloomfield Hills High School and Eastern Michigan University where she earned her Bachelor of Music Education. She will be completing studies toward her Masters Degree at E.M.U. this fall.

A graduate of Belleville High School, Tom attended General Motors Institute and the University of Michigan prior to serving in the U.S. Army. He will return to the UM for further studies next year.

MISS BROWER

Carol Brower to be bride in October

Mr. and Mrs. Burl J. Brower of 45116 Jeannette Street, Belleville, are announcing the engagement of their daughter, Carol Ann, to William D. Milliken of Ann Arbor.

Miss Brower, a 1967 graduate of Belleville High School, attended Cleary College and is currently employed at Hydra-Matic, Division of General Motors, Ypsilanti.

Her fiancé, son of Mr. and Mrs. Arthur D. Milliken of 5185 Pratt, Ann Arbor, is a 1966 alumnus of Ann Arbor High School. He spent two years at Eastern Michigan University and is now an employee of Wolverine Supply, Inc.

An October 9 wedding at the First United Methodist Church of Belleville has been scheduled.

Linda Whichello sets September altar date

A September 11 wedding is being planned by Linda Whichello, whose engagement to Roger Myers is announced by her parents, Mr. and Mrs. William Whichello of Gulliver, Michigan, formerly of Martinsville Road, Belleville.

The bride-elect, who resides in Chicago, is a graduate of Belleville High School and Michigan State University. A Phi Beta Kappa, she was affiliated with Phi Kappa Phi and Alpha Lambda Delta Sororities. Both Miss Whichello and her fiancé are employed as promotion and publicity writers for the Chicago Tribune and Chicago Today.

The prospective bridegroom, son of Mr. and Mrs. Walter E. Myers of Garnett, Kansas, is also a Chicago resident. He earned his B.S. in journalism at the University of Kansas in 1968 and his M.S. in the same field at Northwestern University a year later.

The Methodist Church in Manistique, Michigan has been reserved for their autumn nuptials.

Celebrate with steaks

Dinner on the 4th of July should be worthy of Independence Day. Whether dining at table indoors, on the patio or at a park or beach, there's nothing finer than steak. Porterhouse, rib eye or sirloin are all tender and excellent cuts for broiling. Pack vegetables in serving-sized foil packets to heat on the grill or on the broiler rack. Cold potato salad and fresh rolls along with fresh fruit shortcake or watermelon wedges will complete a festive menu.

Classic convenience

Possibly a roast is the classic convenience food. Into the oven goes and out it comes ready for the table. Yet what can equal a roast when it comes to eating satisfaction?

MISS SECHOWSKI

Sechowski-Levesque engagement announced

Mr. and Mrs. Sylvester Sechowski of South Bend, Indiana are announcing the engagement of their daughter, Del, to Robert P. Levesque.

The bride-elect, who resides at 250 Liberty Street, Belleville, holds a B.A. degree in history from Madonna College, Livonia, and is currently doing graduate work at Wayne State University. A member of the Belleville Business and Professional Women's Club, she is on the teaching staff of St. Anthony's School.

Her fiancé, son of Mr. and Mrs. Louis Levesque of Lewiston, Maine, makes his home at 215 Columbia Avenue, Belleville. He earned his B.S. degree in accounting at Husson College in Bangor, Maine and his Masters in business administration at Michigan State University. A first lieutenant with the 323rd General Hospital, U.S. Army Reserves, he is an employee of Associated Brewing Company, Detroit.

St. Anthony's Church has been reserved for the couple's August 21 nuptials.

Warren-Hagerman wed

Calvary Baptist Church is scene of June wedding

The Calvary Baptist Church in Romulus was the setting June 12 for the single ring ceremony which united Rose Anna Hagerman and Timothy Michael Warren in holy matrimony. The Rev. Lonnie England presided at the one o'clock nuptials before an altar graced with bouquets of white daisies.

Parents of the young couple are Bellevillites, Mr. and Mrs. Arthur Hagerman of 40331 Alden Drive, and Mr. and Mrs. Galen Warren of 40379 Alden Drive.

GIVEN IN MARRIAGE by her parents, Rose Anna appeared in a silk organza creation with Venice lace frosting the high-rise bodice and full bishop sleeves. A fringe of tiny lace also traced the semi-scooped neckline.

Securing the bride's elbow-length veil of silk illusion was a semi-profile headpiece of looped organza arranged on a crescent of Venice lace. Completing her bridal finery was a cascade of white carnations and red and pink roses.

Beverly Wisniewski and the bride's sister, Laura Hagerman, served as maid of honor and bridesmaid, respectively.

Identically dressed, their frocks were pink with a floral overprint of red and white. Their pink bow headgear was edged with wispy veils and they carried bouquets of pink and white carnations encircling a single larger red carnation.

BEST MAN was Henry M. Zaborowski of Belleville. The bridegroom's twin sisters, Gay and Gayle Warren, served as usherettes carrying pink nosegays and wearing blue pant dresses.

Some 100 guests gathered at the Hagerman home for the reception which followed. Mrs. Hagerman wore for the occasion a pale blue frock with Mrs. Warren in mint green. Both were presented the corsages of white carnations and pink roses.

Graduates of Belleville High School, Rose Anna and Tim spent two days honeymooning in Ohio and are currently residing at 40331 Alden Drive, Belleville. Tim is an employee of Campbell Construction Company.

Hancottes entertain

The Friendly Neighbors Farm Bureau group met at the home of the Desire Hancottes of Denton Road for a picnic supper June 23. Present were 13 members and one guest. The discussion for the evening was "A Look at Revenue Sharing."

There will be no meeting for the months of July and August but the James Rentons of Martinville Road invited the group to meet at their home for the September session.

Out-of-town members attending the picnic were former Bellevillites, Mr. and Mrs. Alfred Baker and grandson from Dearborn Heights.

MISS MILLS

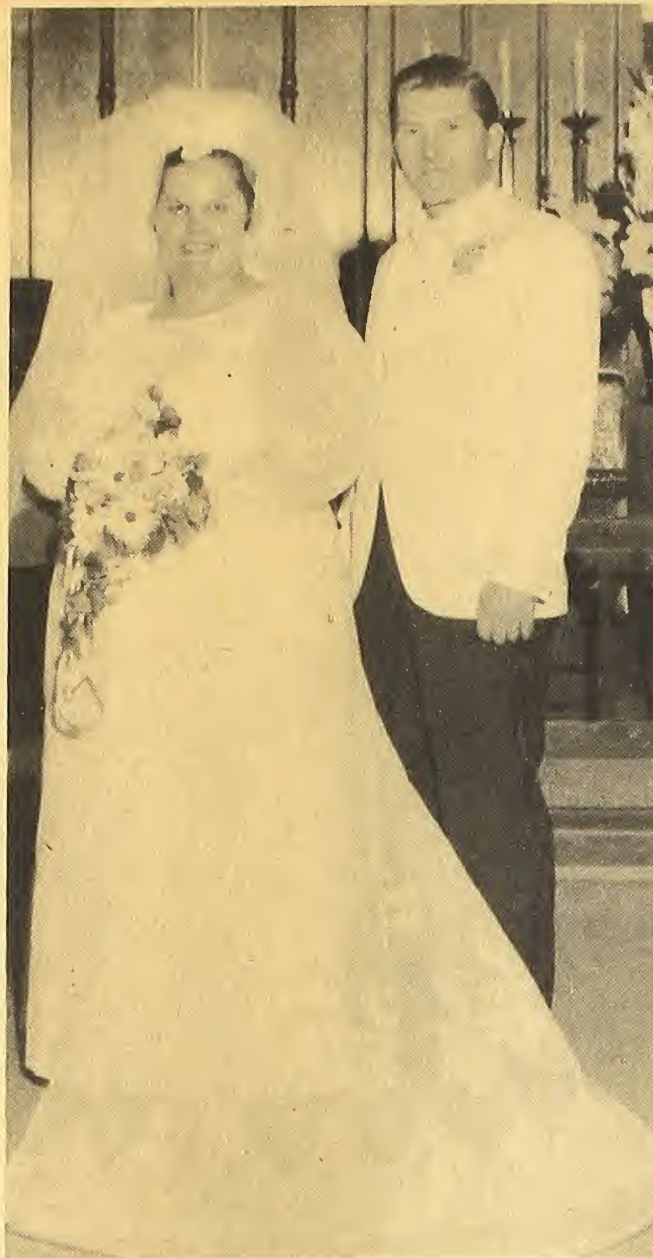

September ceremony planned

Carey Jane Mills and Richard Lynn Moore are engaged and making plans for a September 3 wedding. Their betrothal and nuptial date are announced by Mr. and Mrs. Burrell Ainsley Mills of 340 Church Street, Belleville, parents of the bride-elect.

A graduate of Belleville High School in 1968, Miss Mills who is a senior at Central Michigan University, is employed at Howard Johnson's.

Her fiancé, son of Mrs. Thelma Moore of 214 Second Street, Jackson, and the late Robert Moore, graduated in 1971 from Central Michigan University.

Placed end to end, the cigarettes smoked in Michigan this past year would form a line that would stretch to the moon and back two times.

MR. AND MRS. THOMAS FOLEY

Open house marks Meyer's 50th year

An open house marking the golden wedding anniversary of Mr. and Mrs. Edward Meyer, Sr. was held Sunday at their home, 11155 Hannan Road, Romulus. Hosting the event from two 'til six were their children: Edward and Ida Meyer of Romulus; Rex and Ruth Ladd of Dearborn; and Mildred Snook of Detroit.

A buffet dinner was served along with a specially-decorated anniversary cake. About 35 guests arrived from Farmington, Livonia,

Dearborn, Detroit, and Clawson with Mr. Meyer's sister, Mrs. Eva Higgins, coming from Greensburg, Pennsylvania for the occasion.

Married June 25, 1921 in Detroit, the Meyers moved from Detroit to Romulus about 30 years ago. The grandparents of four, they are retirees, he having worked as a mechanic for Bond Bakery and she as a clerk at Dodge Drugs in Plymouth.

H. Ostrowski's 25th anniversary observed

The silver wedding anniversary of Harry and Lottie Ostrowski of 50 Angola Street, Belleville, was celebrated Saturday, June 5, at the P.N.A. Lodge. The surprise party was planned by the couple's daughter and son-in-law, Jeanette and Robert Frost of Belleville.

The 150 guests included members of the wedding party; Frank and Rita Swiontonowski of Carleton; Mrs. Dolores Mis from Wayne; and Norbert Ostrowski of New Boston, all of whom wore corsages or boutonnieres for the occasion.

Another special guest was Harry's mother, Mrs. Martha Ostrowski, who was able to come from the Dion Nursing Home for the party.

Others arrived from Sterling Heights, Clarkston, Hamtramck, Detroit, and nearby cities.

IN A JUNE 1 CEREMONY in 1946, Lottie Swiontonowski became Mrs. Ostrowski at St. Stephen's Catholic Church, New Boston.

Mrs. Ostrowski, who is employed at Signet Realty, wore for her special day a yellow knit ensemble to which she added a corsage of orchids and Stephanotis. Her husband, presented with a boutonniere, is employed at Sargent Industries of Ypsilanti.

Among those assisting at the dinner-dance were Mrs. Charlotte Swiontonowski of Lincoln Park; Mrs. Ann Swan of Dearborn; Mrs. Rita Swiontonowski of Carleton; Mrs. Dolores Mis of Wayne; Mrs. Helen Jaje from Ypsilanti; Mrs. Mary Ann Ostrowski of New Boston; and Mrs. Martha Ostrowski from Belleville.

Foley-Lange nuptials read at Taylor Church

Double ring vows were exchanged May 29 between Mary Lange, daughter of the Senior Marvin Langes of 27986 Northline Road, Romulus, and Thomas Foley of 1287 Wilson, Lincoln Park.

The six o'clock nuptials were read by the Rev. Albert Firchau with some 300 guests in attendance at St. John's Lutheran Church, Taylor.

George Moll of Taylor was at the organ to accompany Mrs. Elaine Monroe of Romulus as she sang "The Wedding Prayer" and "The Wedding Blessing."

Escorted by her father, the bride walked to the altar wearing a gown of taffeta and organza styled along empire lines with a scoop neckline and long, full sleeves. Rosepoint lace and pearls accented the gown and also the chapel train which was caught to a bow at the waist.

Her veil was secured by a headpiece of rose petals, ribbon and lilies of the valley and her bouquet was comprised of daisy mums and yellow roses.

MATRON OF HONOR for her sister-in-law, Mrs. Christine Lange of Romulus wore a yellow Victorian-mode frock with daisies and lace trimming the high stand-up collar and the short, puffed sleeves.

Bridesmaids in identical green dresses were Juanita Wagenback of Romulus; Mrs. Charlene Bennett, cousin of the bridegroom from Union Lake; and Christy Curtis, cousin of the bride from Westland. All four carried bouquets of mums to match their gowns.

Colleen Boik, daughter of the Harland Boiks of Romulus, was flowergirl in a miniature of the honor attendant's gown. The basket she held was filled with yellow daisy mums.

Ringbearer was the bride's cousin, Jeffrey Bassett, son of the Le Roy Bassetts of Romulus.

FORREST WALKER came from Chicago to serve as best man. Ushers were Marvin Lange, Jr. and Raymond Lange, brothers of the bride from Romulus; and Charles Karvonea, Jr. of Detroit, the bridegroom's cousin.

The bride's mother wore an apricot coat-dress ensemble with white accessories and added a corsage of apricot carnations to her outfit. Mrs. Saima Foley, mother of the bridegroom, chose a blue dress with companion coat for the occasion. Her accessories were in blue and white and her corsage was of blue carnations.

Following their reception at the Caravee Hall in Flat Rock,

the newlyweds departed for a two week honeymoon in northern Michigan, Illinois and Indiana. After July 1 they will be at home at 8904 Wayne Road, Romulus.

Mary is a 1968 graduate of Romulus High School and the Marjion School of Cosmetology in Wayne. Tom attended Lincoln Park High and graduated from International Transportation Institute of Dearborn. He is employed at Kelsey-Hayes, Romulus.

Couple united at Crystal Lake

MRS. ROBERT HOPEMAN

A nuptial ceremony at high noon June 12 united in marriage Mary M. Burns of 2232 Packard, Ann Arbor, and Robert Mark Hopeman of 650 Sumpter Road, Belleville.

For her wedding site, the bride chose the lawn of her mother's home overlooking Crystal Lake at Bulah, Michigan. Some 20 close friends and relatives witnessed the single ring ceremony and later attended a reception at the Burns home.

The bride is the daughter of Mrs. Walter M. Burns of 5391 Crystal Drive, Beulah. The bridegroom's parents are former Bellevillites who now reside at 703 Oak, in Kingman, Arizona.

GIVEN IN MARRIAGE by her brother, James R. Burns, Mary appeared in an egg-shell jersey gown fashioned in toe-touching length with a V-neckline and bridal lace accenting the waistline and long sleeves. Her bouquet was comprised of white daisies and yellow roses.

Barbara Partridge of Belleville was her close friend's only attendant. Holding a cluster of white daisies centered with a single yellow rose, she wore a turquoise summer knit styled in floor-length with long sleeves and a V-neckline.

The little flowergirl was four-year old Sheri Chin, daughter of Mrs. Shirley Chin, who carried an assortment of fresh garden flowers.

William Hopeman of Belleville served as best man for his brother.

FOR HER DAUGHTER'S wedding, Mrs. Burns donned a yellow and beige summer knit while Mrs. Hopeman chose pink linen. Both mothers were presented with corsages of yellow tea roses.

After honeymooning for a week in northern Michigan, the newlyweds took up residence at 650 Sumpter Road, Belleville. Mary is employed at the University of Michigan and Robert is with the Ford Motor Company at Dearborn.

Donna Lester honored by co-workers

A PARTY AT the V.F.W. Club Saturday night marked the pending retirement of Donna Lester, who after 30 years, is leaving her duties as clerk with the U.S. Postal Service. Hosting the eight o'clock dinner-dance were co-workers from the Belleville Post Office and their husbands and wives who numbered 42 in attendance.

Coming in from Northville for the accolade given their sister-in-law were the Verne Lesters. Presenting a short tribute to Donna along with a gift certificate from Hudson's was Assistant Postmaster George C. Wilson. The honoree, in turn, gave a brief synopsis of her career which she referred to 'as a chapter in a book, the last page now being written.'

Donna and her husband, Lew (who is also saying farewell to his job at the U-M) have purchased property at Lake City where they've located a new mobile home — their retirement 'bungalow.' With her gift money, Donna says she'll purchase something for their new (and first) fireplace.

Catering the party, which began with cocktails and hors d'oeuvres, were Mrs. Frank Prais (a former postal employee) and her daughter, Mrs. Cathie Cameron. Mrs. Chester Thurston and Mrs. Harry Grishaber assisted with the serving.

Donna has a month to go before her retirement is final — July 30 being her last day with the Belleville crew.

EMU honor graduate feted at reception

Fifty guests arrived from Monroe, Ypsilanti, Ann Arbor, and Belleville to attend the June 13 graduation party honoring the eldest of the Don Meyer's sons, Tom, an Eastern Michigan University graduate.

Tom, who was a consistent honor student at the University, received his Bachelor of Science Degree in math. He also was awarded a teaching fellowship in mathematics at E.M.U. where he will continue studies toward his Masters Degree next year.

Sierotas return from Hawaii

RECENT VISITORS To Hawaii were Dr. and Mrs. Ronald Sierota of Quirk Road who, combining business with pleasure, spent eight days on the Island. For the first three days Ron attended classes at the International Academy of Orthodontics Convention and after that, it was strictly an extended vacation.

Making their quarters at the Waikiki Hilton, they rented a car and 'did' the Island, getting away from the commercial section of Honolulu and really seeing the beauty of the place — the hotel packing them picnic lunches for beach meals enroute.

Highlights of their stay included the Polynesian Culture Center, Paradise Park, the Pearl Harbour tour and a cocktail-dinner cruise into the Pacific sunset on board a catamaran.

Bell plans to spend \$2 million for Belleville

Michigan Bell Telephone Company plans to spend more than \$2,000,000 over the next four years to expand and improve telephone service in the Belleville area, Eugene L. Greek, local Michigan Bell manager, announced.

Greek made the announcement at a meeting of local businessmen, community leaders and telephone company executives at the Hilton Inn at Metro Airport last Wednesday.

Dan F. Smith, Michigan Bell's vice president and general manager for the metro area, discussed the problems of trying to improve telephone service in the face of low company earnings created by inflation.

Greek said that work is progressing on the new addition to the Belleville central office, which will provide 800 new customer lines when completed this fall. "By 1973 a new building will be required to house new electronic switching

equipment that will speed your calls as never before and permit us to introduce Touch-Tone service."

Greek traced the growth of the Belleville and the paralleling development of telephone service to serve its needs.

"In 1961," he said, "our central office in Belleville served 3,700 telephones. By 1970 the number of telephones had grown to 6,500. That's an increase of 75 percent in 10 years."

"Belleville residents were making about 20,000 calls a day in 1961, he continued, and today that number is about 35,000."

"Through the Sixties, people were calling more—and talking longer—than ever before. To keep up, we hired more people each year and we paid them more."

"Today we employ 20 people in the Belleville area, with a payroll of \$200,000 a year."

Following Greek's remarks, Smith cited the two basic

responsibilities of his job as general manager: good telephone service and improving service.

"Michigan Bell has, and always will have, a commitment to give high quality phone service," he said. "But I think you ought to know that financial problems can, and are, causing interference with fulfillment of the second responsibility—improving service."

Smith said that Michigan Bell, in 1961, spent \$87 million in capital dollars for construction. Last year the amount was \$274 million and this year about \$285 million, he added.

"Of the \$1.5 billion spent for construction over the past 10 years," Smith went on, "88 percent was merely to keep up the demand for service."

"Our engineers call this 'wheel-spinning,' because we're not moving ahead with improvements on the good service we have. We're just maintaining present levels of service."

Smith said that only \$64 million of the \$585 million planned for 1971 and 1972 construction will go for service improvements.

"In fact, we have been forced to cut \$60 million of desirable improvements from our plans for those two years," he said. Among the deferred projects, said Smith, are a \$50 million five-year program to improve rural service from eight parties on a line to no more than four; plans to improve long distance network centers; construction of new company garages and work centers, and introduction of Picture-Phone and Dial-Tone First.

Smith traced Michigan Bell's earnings picture over the past decade, citing six reductions in intrastate rates during a period when prices of most other goods and services were soaring.

"While our costs were steadily going up, our profitability was steadily going down," he said. "Earnings per share have fallen for five straight years."

Smith talked about the company's 1968 rate case and the latest one now pending.

"The Public Service Commission said we should earn a rate of return of 7.95 percent on our investment for service within Michigan," he said. "The \$14.8 million they approved late last summer left us \$20 million short of the 7.95 per cent. This March we asked the Commission to grant us \$20 million as soon as possible to bring our rate of return to the 7.95 percent level."

"But, frankly, we felt that, to be competitive for investors' dollars that would help build service, we had to do better than 7.95. So, on top of the \$20 million, we asked for \$40 million more, to bring our rate of return to a more realistic 9.3 percent. This, we feel, would enable us to get going again with the improvements in service which the people of Michigan deserve."

For Belleville customers, Smith said that the new rate request, if granted, would mean an immediate increase of 30 cents a month for one-party residence service, as an example.

"This would give us interim relief and permit us to maintain our present level of service," he explained. "The second-stage increase would

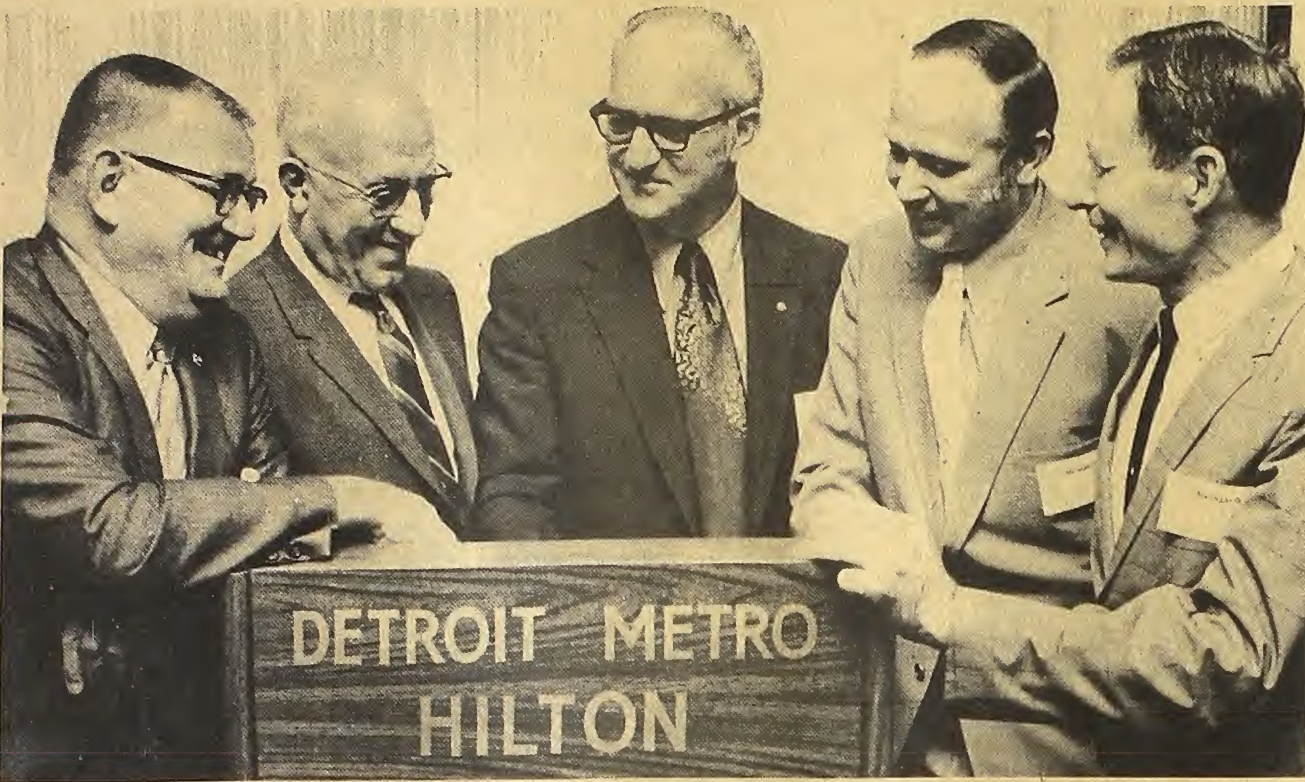

add 65 cents more a month, and enable us to get on with the business of improving service."

"The people of Michigan deserve first-class communications," Smith went on. "The choice we've made is to protect the present level of service—to use all our dollars for that, and delay quite a few improvements."

"This is the only decision we can make until we get rate relief, because there is not much left to cut. We've simply run out of money."

"If the Public Service Commission grants our request, it will mean that Michigan Bell will be able to provide the people in the metro area—and all the people in the state—with the kind of improving telephone service they need."

Degrees go to area students

Michigan State University presented degrees to eight area students at the university's spring term commencement exercises held June 13.

The students from Belleville and their degrees are:

Alan E. Black, 45912 Geddes Rd., master of arts degree in educational administration; Floyd A. Gillespie, 21195 Elwell Rd., bachelor of science degree in criminal

justice; Joseph LaFramboise, 3831 Canton Center Rd., bachelor of arts degree in marketing; Kathleen M. Sineveck, 1600 Lilley Rd., bachelor of arts degree; and G. M. White, 318 Brain St., bachelor of science degree in engineering.

The students from Romulus are:

Linda L. Brooks, 36653 Goddard Rd., bachelor of arts degree in mathematics; Mary T. Genovese, 6115 Middlebelt Rd., bachelor of arts degree in English; and Robert A. Konarska, 27099 Kind Rd., bachelor of science degree in fish and wildlife.

This year's principal speaker is U. S. Rep. John D. Dingell of Michigan's 16th District.

The ceremony is held outside in this historic setting so that as many people as possible can observe from the museum's lawn at no charge.

In solemn ceremonies on the steps of the museum's exact replica of Independence Hall, they honor the founding of the United States of America and pay tribute to the men who made it possible.

"Let Freedom Ring" is a part of the International Freedom Festival in which Detroit and Windsor join to commemorate the Independence of the United States and Canada.

PASS IT ON

by L.M. Boyd

Are you acquainted with anybody named Greg Smith? The computer boys say that's the commonest combination of first and last names among men over 30 in the United States. The No. 2 combination is said to be Charles Johnson. No. 3 Harry Brown. No. 4, William Jones. No. 5, Robert Wilson. No. 6, John Anderson.

The majority of men who seek divorce, despite what they say in court, do so because they're bored. Or such is the contention of the experts. The majority of women who go for divorce, they claim, do so because they think their pride has been injured beyond healing.

Am asked why so many theatrical plays are tried out in Boston before they are opened on Broadway. Don't know, maybe because it's a crime to hiss an actor in Boston. It is. That's a fact... A dentist says the teeth of an airplane pilot require special attention. Changes in air pressure can be particularly painful to said pilot, evidently, if his dental cavities are not filled precisely.

Customer service: Q. "How big is the kitchen sink in a railroad dining car?" A. A little less than two feet square. Incidentally, the dishwasher on one of those diners scrubs up more than 900 dishes a day in that sink... Q. "What proportion of the brides are already expecting when they step to the altar?" A. One out of six, it's said... Q. "Ask your Language man where we got the word makeup?" A. He reports it was that famous fellow Max Factor who coined the word in 1928.

Now it has come to pass that one out of every 13 teenage girls drive s her own car. That's bad... And the survey takers conclude after extensive research that half the lawns in the country are mowed by women. That's good... Just about 44 Christmas cards per family every year is what the poor postmen pack. That's bad. Average price of regular gasoline has dropped by about 2 cents all over the country. That's good... And the thing you and I call the one-armed bandit is known in England as the Fruit Machine. That just flatout doesn't matter, does it?

Client asks if a camel gives as much milk as a cow. No, sir, not even half as much. Average dairy cow turns out 12 quarts a day. A camel produces three or four or five quarts maybe. Incidentally, neither camels nor cows give milk, actually. An old farmer made it clear to me years ago. Every single morning at about 4 o'clock, as we headed through the crackly cold toward the barn, he always said the same thing: "Cows don't give milk, kid, you've got to take it away from them." That used to be mildly irritating, but I've seasoned some over the years, so look back on the experience now with real loathing.

Your questions and comments are welcomed and will be used in "Pass It On" wherever possible. Please address your letters to L.M. Boyd, P.O. Box 17076 Fort Worth, Texas 76102.

CARROLL RIGHTER'S
horoscope

Tomorrow's forecast
from the Carroll Righter Institute

General tendencies: A strange and dramatic day and evening looms in which your relationship with certain individuals is of paramount importance. You are able to show your affection for those you like and meet by keeping cool, calm and collected, and by using odd conditions that arise to show your talents.

Aries (Mar. 21 to Apr. 19) Your associates are acting in an unusual way so don't become emotional, but react intelligently. Not a good day for making any new deals with anyone. Show others that you are a keen person.

Taurus (Apr. 20 to May 20) You begin doing one task and then find it necessary to change abruptly to another, which is all right, if you don't become flustered. Associates may act strangely, but it is only the planets causing them to do so.

Gemini (May 21 to June 21) Accept quickly an invitation that you get unexpectedly. It will lead to fine benefits in the future. An associate may not be very helpful, but await a better day. He is having trouble at home.

Moon Children (June 22 to July 21) You have a sudden problem to handle at home which tests your capability, but you can settle it nicely. Not a good day to invite anyone to your home. Unexpected trouble could be brewing.

Leo (July 22 to Aug. 21) A sudden happening may cause you to change ideas and make other arrangements. Plan how to have more efficiency in all of your operations. Be ethical is the only way.

Virgo (Aug. 22 to Sept. 22) A monetary matter is puzzling to you, but don't fret over it. Tomorrow you can handle it nicely. Do something about changing the atmosphere of your home. Make it more interesting, charming. Avoid strife with anyone.

Libra ((Sept. 23 to Oct. 22) You have much capability now and could use it in such a way that others could misunderstand your

motives so say as little as you can to others. Tomorrow is a better day. Take the beauty and health treatments you need.

Scorpio (Oct. 23 to Nov. 21) Ideal day for investigating a puzzling situation, but be ready for unexpected occurrences. You do not comprehend the advice you get from expert, so sleep on it for now. Show that you are a keen thinker.

Sagittarius (Nov. 22 to Dec. 21) You are able to get fine suggestions from allies you contact today. An unexpected invitation is not wise to accept. Look into important matters tonight. Show that you have wisdom.

Capricorn (Dec. 22 to Jan. 20) Stop trying to impose on a higher-ups assistant or you get into real trouble. Make sure you have all the facts where a civic matter is concerned before you try to handle it. Be wise.

Aquarius (Jan. 21 to Feb. 19) A new situation can be studied now but make sure you don't commit yourself to anything as yet. Listen to the suggestion of a progressive-minded person. A converse thinker and conservative person can also be helpful.

Pisces (Feb. 20 to Mar. 20) You have responsibilities that need to be handled well, so stop feeling sorry for yourself. Take care of a demand from mate tactfully. Avoid one who has eye on your assets.

If your child is born today, he or she will be one of those fascinating young people with a certain charm. Other may want to spoil your progeny early in life, so teach to earn own living without depending on others so much. Also, teach not to go flitting from one interest to another with such rapidity that the fine promise in this chart may not be realized. "The Stars impel, they do not compel." What you make of your life is largely up to you.

Huron-Clinton parks ready for weekend

All nine parks of the Huron-Clinton Metropolitan Authority are in readiness for the Fourth of July week-end extending from Saturday, July 3 through Monday, July 5. These parks offer a wide variety of recreation within the counties of Macomb, Oakland, Livingston, Washtenaw and Wayne. Here is a summary of events and facilities at the authority's local parks:

Lower Huron Metropolitan Park near Belleville:

This scenic 1,000 acre site is located along the Huron River and has several large picnic areas, shelters and play equipment. Swimming hours at the pool are 9 a.m. to dusk daily and food service opens at 10 a.m. and closes at dusk.

The bathhouse has heated showers, dressing rooms and coin-operated lockers for clothes checking. Other park facilities include the 18-hole "Par 3" golf course, a small nature center and nature trails which are labelled for self-guided hikes.

There is special play equipment for youngsters from 2 to 6 at the Tot Lot, which is popular with young and old alike. Park hours are sunrise to 11 p.m.

Entrance to the park is on Hannan Road via the Haggerty Road Interchange, along the I-94 Freeway between Detroit Metropolitan Airport and Belleville. The park phone is 697-9181.

Kensington Metropolitan Park near Milford:

This 4,300 acre site is one of the largest and most popular parks in southeastern Michigan. Swimming facilities include two bathing beaches along Kent Lake, each with dressing rooms, showers, first aid stations, food service and coin-operated lockers.

There are 13 large picnic areas in the park, many with shelters and playground equipment. Several miles of roadway provide a scenic drive and there is a boat rental building, two boat launching ramps, pier fishing, golf course, nature trails and a nature center. Swimming

Scholarships available

Michigan youths are eligible to apply for a share of \$5,000 in scholarships provided by Chicago and North Western Railway Co.

They must be majoring or minoring in agricultural business, agricultural economics or forestry. Previous winners are eligible to apply again. Special consideration also is given to those who demonstrate financial need.

C & NW, a long-time supporter of 4-H, provides 10 scholarships of \$500 each to current or former 4-H youths in its eight-state service area. Recipients are selected by the Cooperative Extension Service with announcement of the winners being made at National 4-H Congress, Nov. 28 - Dec. 2 in Chicago.

Qualified Michigan young men interested in applying for the C & NW scholarships may obtain application forms from the State 4-H Leader at Michigan State University, East Lansing.

REAP sharing cost of saving wildlife, Smith says

Nick Smith, Chairman of the Agricultural Stabilization and Conservation Committee says the U.S. Department of Agriculture's Rural Environmental Assistance Program (REAP) shares the cost with farmers for carrying out wildlife conservation practices on farmland.

Cost-sharing is also provided for approved pollution control practices as well as other approved soil, water and woodland practices. All of these practices reduce sedimentation, run-off and stop soil erosion which affect the quality of the water in the

rivers, streams, and lakes. All of these practices benefit wildlife.

Each year at least 4 billion tons of soil are displaced by erosion and are carried by water to new locations. This includes construction and farming operations. Smith

said all of us are concerned about ways and means of improving our environmental resources.

REAP practices such as deep and shallow ponds and wildlife food plots affect the amount of fish and wildlife available.

Other practices include tree and shrub plantings, sod waterways, vegetable cover and timber stand improvement. All of these practices benefit wildlife, increase hunting, fishing and other recreational opportunities for all the people.

PLEASE READ THIS IMPORTANT MESSAGE

from eight national action groups in conservation and ecology

We want you to meet eight of the most dedicated fighting teams in America.

We have joined together to present to you, for the first time, the action side of conservation, preservation, anti-pollution, ecology.

Our presentation is called The National Panorama of Conservation Action. It takes the form of a panaplex of giant color illuminations, produced to show you all sides of the ecology crisis as nothing else could.

The Panorama is not only educational. It is not only an impressive visual experience. It has been created to transmit and generate enthusiasm. Because only your enthusiasm for the work being done today in conservation can help us preserve and create a livable world for your future.

By means of this striking Panorama, you and millions of Americans are given the opportunity to compare the action programs of leading national organizations. It presents an opportunity to become involved--to ally yourself with the group that best reflects your own concern and outlook.

We are all in the fight together--and it is the most urgent fight in history. The mission is to save the habitat of man and his fellow travelers on Spaceship Earth.

We know what must be done. We are doing what can be done. We intend to keep doing more.

And we invite your co-participation.

THE PANORAMA IS TOURING THE NATION. THIS WILL BE ITS ONLY SHOWING IN THIS IMMEDIATE VICINITY. BRING YOUR FAMILY — CALL YOUR FRIENDS! SEE THE NATIONAL PANORAMA OF CONSERVATION ACTION!
